Collection Department

I do a general Law and Collection business. I make a specialty of Commercial Law and Collections in Central and Western Nebraska. I foreclose mortgages in any county in this part of the State. I look after all business for non-residents, and cater to a non-resident business. I will go anywhere that clients can afford to send an attorney, or that will justify in sending. I ask no compensation that I do not earn. I am under no financial obligations to local banks or bankers. I am not in politics—I give all of my time and attention to my business—and to my clients. For the purpose of collections, I am able to look after all matters at any of the following towns adjacent to Lexington:

Gothenburg,	Bertrand,	Farnam,	Lomax,	Callaway,
Eddyville,	Cozad,	Elm Creek,	Enstis,	Elwood.
Kearney,	Miller,	Overton,	Sumner,	

I will furnish the best of reference on application

The Supreme Court has appellate civil and criminal jurisdiction within and throughout the Dominion of Canada.

The Court holds three sessions yearly, the first beginning on the third Tu. in Feb., the second on the first Tu. in May, and the third on the first Tu. in Oct.

THE MAIN REQUISITES OF JURISDICTION ARE:

First. That the judgment should be a final judgment.
Second. That a cause should originate in a Superior Court of original jurisdiction.
Third. That the appeal should come from the highest Court of final resort.

To all these requisites there are many exceptions which could only be satisfactorily explained by referring at some length to the statutes regulating the jurisdiction. See R. S. C. ch. 135, especially secs. 24-30; 52 Vic. ch. 37 (D.); 54-55 Vic. ch. 25 (D.); 56 Vic. ch. 29 (D.); 60 61 Vic. ch. 34 (D.).

SOME OF THE IMPORTANT EXCEPTIONS ARE AS FOLLOWS:

(*a*) By consent of parties, or by order of the Supreme Ct. or a Judge thereof, appeals may come per saltum from the Ct. of original jurisdiction (see R. S. C. ch. 135, s. 26). This exception does not apply to appeals from the Prov. of Que.

(*b*) There is a special exception in favour of appeals from the Ct. of Review of the Prov. of Que. in cases in which there is no appeal to the Ct. of Appeal of the Prov., but which appeals to His Majesty in his Privy Council. These may be brought in appeal to the Supreme Ct. (See 54 & 55 Vic. ch. 25, s. 3.)

(*c*) In appeals from the Prov. of Que., the matter in controversy must amount to $2,000, or involve the question of validity of a statute of the Dom. or of the Prov., or relate to some matter in which future rights might be bound.

The case in appeal must be filed 20 clear days before the first day of the session at which the appeal is to be brought on for hearing.

The factums, or points for argument, must be filed 15 clear days before such day, and the appeal be inscribed 14 days before.

NOTE.—*Solicitors practising before the Supreme Ct., and unable to attend personally, are expected to appoint agents (whose names must be entered in a book kept for the purpose in the Registrar's office) to look after the various matters which may require attention in the course of an appeal.*

Admiralty Jurisdiction in Canada is by "The Admiralty Act, 1891," vested in the Exchequer Court of Canada. The Court exercises its jurisdiction throughout Canada and the waters thereof, whether tidal or non-tidal, or naturally navigable or artificially made so, and it is provided by the Act that "all persons shall, as well in such parts of Canada as have heretofore been beyond the reach of the process of any Vice-Admiralty Court, as elsewhere therein, have all rights and remedies in all matters (including cases of contract and tort, and proceedings *in rem* and *in personam*), arising out of or connected with navigation, shipping, trade or commerce, which may be had or enforced in any Colonial Court of Admiralty under 'The Colonial Courts of Admiralty Act, 1890.'"

The

Scientific American Boy

By A. RUSSELL BOND

12mo. 320 Pages. 340 Illustrations. Price, $2.00 Postpaid.

This is a story of outdoor boy life, suggesting a large number of diversions which, aside from affording entertainment, will stimulate in boys the creative spirit. In each instance complete practical instructions are given for building the various articles.

The needs of the boy camper are supplied by the directions for making tramping outfits, sleeping bags and tents; also such other shelters as tree houses, straw huts, log cabins and caves.

The winter diversions include instructions for making six kinds of skate sails and eight kinds of snow shoes and skis, besides ice boats, scooters, sledges, toboggans and a peculiar Swedish contrivance called a "rennwolf."

Among the more instructive subjects covered are surveying, wig-wagging, heliographing and bridge building, in which six different kinds of bridges, including a simple cantilever bridge, are described.

In addition to these, the book contains a large number of miscellaneous devices, such as scows, canoes, land yachts, windmills, water wheels and the like.

Synopsis of the Laws of the North-West Territories

(Now Alberta and Saskatchewan).

Compiled by Bown, Dawson, Kennedy & Hyndman, Barristers, Edmonton, Alberta.

(Revised to 1st January, 1906.)

Subject to the provisions of the North-West Territories Act (cap. 50, Can.)

Generally, the laws of England relating to civil and criminal matters, as the same existed on the 15th day of July, 1870, are in force, in so far as the same are applicable to the Territories, and in so far as the same have "not been or are not hereafter repealed, altered, varied, modified, or affected by any Act of the Parliament of the United Kingdom applicable to the Territories, or of the Parliament of Canada, or by any ordinance of the North-West Territories.

Attachment—1. Of Debts.

The plaintiff in any action for a debt or liquidated demand before or after judgment, and any person who has obtained a judgment or order for the recovery or payment of money may issue a garnishee summons, which is issued upon the plaintiff or judgment creditor, his advocate or agent filing with the clerk an affidavit shewing the nature and amount of the claim or judgment, and swearing positively to the indebtedness, and stating to the best of the deponent's information and belief the proposed garnishee (naming him) is indebted to such defendant or judgment debtor. Service of such garnishee summons shall bind any debt due, or accruing due, from the garnishee to the defendant or judgment debtor. The Government of the North-West Territories may be garnisheed with regard to monies due or accruing due to all persons permanently employed by the Government of the Territories. No debt due or accruing to a mechanic, workman, labourer, servant, clerk or employee for or in respect of his wages or salary, shall be liable to seizure or attachment unless the same exceeds $25, and then only to the extent of the excess. This exemption of $25 does not apply to debts for board and lodging.

2. Of Goods.

After the commencement of any suit wherein the claim is for the recovery of a debt of $50 or upwards from the defendant to the plaintiff, upon affidavit made by the plaintiff or his agent, having a personal knowledge of the matter, stating clearly and succinctly from what cause such debt arose, and the amount thereof, and that he has good reason to believe (giving reasons) that the defendant (*a*) is about to abscond or has absconded from the Territories leaving personal property in any judicial district thereof liable to seizure under execution for debt; or (*b*), has attempted to remove such personal property out of the Territories, or to sell or dispose of the same with intent to defraud his creditors generally, or the plaintiff in particular; or (*c*) keeps concealed to avoid service of process; and in either case that the deponent verily believes that without the benefit of the attachment the plaintiff will lose his debt or sustain damage, and upon a further affidavit of one other credible person that he is well acquainted with the defendant and has good reason to believe (giving such reasons) that the defendant is about to abscond, or has absconded, or has attempted to remove his property out of the Territories, or to sell or dispose of the same, or keeps concealed with intent as aforesaid, a judge on ex parte application may direct the clerk to issue a writ of attachment, which shall be executed by the Sheriff; Provided that if the debtor has absconded, or is about to abscond, leaving no wife or family behind, no property of such debtor shall be exempt from seizure.

The writ may be set aside by a judge upon sufficient proof by affidavit that the writ was issued without reasonable cause. The suit proceeds in the ordinary way but in case the plaintiff does not recover judgment for the full amount sworn to he is not entitled to costs, but may be ordered to pay the costs of the defendant. Provisions are made for release of the goods upon security and sale of perishable goods, &c.

3. Of the Person.

The generally accepted opinion is that there is no arrest under civil process.

Assignments—There are no statutory provisions in respect to assignments for the benefit of creditors. Fraudulent and Preferential assignments of goods, chattels, effects, bills, notes, shares, &c., &c., by persons in insolvent circumstances, whether made under pressure or not, which delay or have the effect of delaying creditors, are void. These provisions do not apply to assignments for the benefit of creditors generally.

Bills of Sale and Chattel Mortgages—Bills of Sale and chattel mortgages, not accompanied by an immediate delivery and an actual change of possession of the things sold or mortgaged, must be registered within thirty days from execution, with an affidavit of execution and an affidavit of bona fides, which varies according to the circumstances of the case. They take effect from the date of registration only. In case they are not registered as provided for, or in case the consideration for which they are made is not truly expressed they are null and void as against creditors, and

subsequent purchasers, and mortgages in good faith for valuable consideration. No mortgage, bill of sale, lien, charge, incumbrance, conveyance, transfer or assignment intended to operate or have effect as a security in so far as it assumes to bind or affect any growing crop, or crop to be grown, shall be valid, unless the same be as security for the purchase price of seed grain. There are special provisions relating to seed grain mortgages. Mortgages filed cease to be valid as against creditors, &c., after two years unless renewed. Further renewals after first renewal must be yearly. Renewal is made by statement in form prescribed, which shews interest of mortgagee, assignee, &c., full statement of amount due, all payments on account, with affidavit of truth of the statement. In case of removal from one district to another three weeks are allowed to file copy of mortgage in office for district to which goods are removed.

Courts—The Supreme Court of the North-West Territories has jurisdiction in all civil and criminal matters. There is no other court. Justices of the Peace have jurisdiction in disputes between masters and servants. In claims for debt, where the amount or balance claimed does not exceed $100 a simple and special procedure is provided, without formal pleadings. The Court consists of five judges, who reside at various points in the Territories. Each judge has jurisdiction throughout the Territories, but usually exercises the same in his own judicial district. Appeal lies to the Court en banc. And from Court en banc directly to Privy Council, without appeal to the Supreme Court of Canada, if desired and in certain cases.

Decedent's Estates—An officer known as the Public Administrator is appointed for each Judicial District, or such part thereof as may be desirable, who administers the estate if no application be made for probate or administration within one month after decease of any person. He also takes possession of any neglected property of deceased. Application is made to a judge in chambers for an order for executor, administrator or public administrator, to advertise for creditors, notice to send in claims is given by advertisement, which must be verified by statutory declaration, also stating securities held and value thereof. Distribution is made after time named in the order. Claimants not filing within time limited do not share in the distribution, but may follow property into hands of person receiving same. Administrators and public administrator must pass accounts before the judge within two years after grant of letters.

In administration simple contract and specialty debts rank equally, but judgment debts have a priority.

Devolution of Estates—Both real and personal property descend and are distributed in the same manner. The English Statutes of Distribution govern, except that no husband whose wife died on or after the 1st Jan., 1887, is entitled to any estate by the courtesy in the land of his deceased wife, but he has the same right therein as a wife has in the personal property of her deceased husband. And after the 12th June, 1901, the property of any man dying intestate and leaving a widow but no issue shall belong to such widow absolutely provided that prior to his death she has not left him and lived in adultery after leaving him.

This is retroactive as to the property of any person dying before 2th June, 1901, in case no portion of the estate of such person has then been distributed. The mother of any person dying intestate after that date without a wife, child or father, shall be entitled to the whole. In the distribution of both real and personal property of any woman dying intestate illegitimate children shall have the same rights as if legitimate. In the event of an illegitimate child dying intestate and without issue mother takes both real and personal property.

Dower—There is no dower, but widow has the same right in the lands of her deceased husband as if they were personal property.

Evidence—Witnesses are examined viva voce in open court, but the judge may order, upon sufficient reason being shewn, proof by affidavit, interrogatories or examination before a commissioner or examiner. Evidence taken in one cause may, by leave of a judge, be read in any other cause or matter.

Examination of Judgment Debtor—When a judgment or order is for the recovery or payment of money, the party entitled to enforce it can obtain an ex parte order for the examination of the debtor, or in the case of a corporation, of any officer thereof, as to whether any and what debts are owing to the debtor, and whether the debtor has any and what means of satisfying the judgment or order. The examination is for the purpose of discovery only, and an order is to be made on the evidence given. It may be used on any subsequent proceedings between the same parties, or between the execution creditor, and any transferee of the property and effects of the execution debtor, or in any proceeding to obtain payment directly or indirectly, whether by attachment of debts, equitable execution or otherwise.

Execution—May issue immediately after judgment. An Execution expires in two years unless renewed. Execution may be stayed on special grounds on motion to a judge, who may impose terms as to security, &c.

There is no priority between execution creditors. Sheriff holds proceeds of sale sixty days, and then distributes proportionately among all execution creditors, who then have executions in his hands, retaining his fees and extra costs of creditor at whose instance and under whose execution the seizure and levy were made. Employees of the execution debtor are entitled to be paid their wages, not exceeding one month's, in priority, and share pro rata with the other creditors as to the residue, if any, of their claim.

Execution shall not issue against any partnership property, except on a judgment against the firm. A judgment creditor of a partner may, however, apply in chambers for a charging order on partner's interest in the partnership property and profits, with appointment of receiver, directions for accounts, &c.

Exemptions—The following real and personal property of an execution debtor and his family are free from seizure by virtue of all writs of execution:—

1. The necessary and ordinary clothing of himself and his family;

2. Furniture, household furnishings, dairy utensils, swine and poultry to the extent of five hundred dollars;

3. The necessary food for the family of the execution debtor during six months, which may include grain and flour, or vegetables and meat, either prepared for use or on foot;

4. Three oxen, horses or mules, or any three of them, six cows, six sheep, three pigs and fifty domestic fowls, besides the animals the execution debtor may have chosen to keep for food purposes, and food for the same for the months of November, December, January, February, March and April, or for such of these months, or portions thereof as may follow the date of seizure, provided such seizure be made between the first day of August, and the thirtieth day of April next ensuing;

5. The harness necessary for three animals, one waggon or two carts, one mower or cradle and scythe, one breaking plough, one cross plough, one set of harrows, one horse rake, one sewing machine, one reaper or binder, one set of sleighs, and one seed drill;

6. The books of a professional man;

7. The tools and necessary implements to the extent of $200 used by the execution debtor in the practice of his trade or profession;

8. Seed grain sufficient to seed all his land under cultivation, not exceeding 80 acres, at the rate of two bushels per acre, defendant to have choice of seed, and fourteen bushels of potatoes;

9. The homestead, provided that the same be not more than 160 acres; in case it be more the surplus may be sold subject to any lien or incumbrance thereon;

10. The house and buildings occupied by the execution debtor, and also the lot or lots on which the same are situate according to the registered plan of the same to the extent of fifteen hundred dollars.

The debtor is entitled to choice from the greater quantity of the same kind of articles. None of the above articles except food, clothing and bedding, the price of which forms the subject matter of the judgment upon which the execution is issued, are exempt from seizure. No exemptions in case of execution issued upon a judgment or order for the payment of alimony. In case of death of the execution debtor, the exemptions may be claimed, if the property is in the use and enjoyment of the widow and children, or widow, or children, of the deceased, and is necessary for their maintenance and support.

Foreign Companies—No foreign company having gain for its object or a part of its object shall carry on any business in the Territories unless and until it shall become registered, under a penalty on Summary Conviction of $50 per day against the Company, any agent, representative, etc. Registration consists in filing certain statements, appointing an attorney, etc. The company when registered is not liable to any license fee of any municipal corporation. It must make returns, appoint and keep an attorney to act for it, accept service of process, etc. In case of failure to keep an attorney, license is forfeited. No unlicensed Company shall be capable of maintaining any action in any Court in the Territories. Ordinance in effect does not apply to commercial travellers taking orders for goods.

Fraudulent Conveyances—A Judge may order the examination of an execution debtor and any transferree of any of his property before an examiner. The creditor can then proceed by a summons in chambers and use the examinations as evidence.

Garnishment—See Attachment of Debts.

Insurance—Any person may insure his life for the benefit of his wife and children, or some one or more of them, or by writing (including his will), declare that any insurance on his life is for their benefit. Such insurance is not chargeable with debts, and does not form part of the estate of insured, but goes directly to the beneficiaries.

Interest—The legal rate is 5 per cent., but any rate may be agreed upon.

Joint Stock Companies—After 12th June, 1901, no company, association or partnership, consisting of more than twenty persons shall be formed unless registered under the Companies' Ordinance, or formed by special legislation. Three or more persons may form a company by signing *a memorandum of association* in the presence of and attested by one witness at least, which is forwarded to the registrar of Companies, who in the event of the statutory conditions being complied with issues his certificate of incorporation under his hand and seal of office and the Company is thereupon incorporated. The *memorandum of association* may in the case of a company limited by shares and shall in the case of a company limited by guarantee or unlimited, be accompanied by *articles of association*, signed by the subscribers to the memorandum of association, prescribing such regulations as they may deem expedient, which in effect become the by-laws of the Company. (See cap. 20, Ordinances of N. W. T. 1901.)

Justices of the Peace—These officials have jurisdiction through the Territories. They have a limited civil jurisdiction in matters between masters and servants, and in regard to trespass of animals and estray animals.

Judgments—Where the claim is for a debt or liquidated demand, and no appearance is entered within the time limited, which varies, plaintiff can enter final judgment for claim and costs. Appearance may be struck out on a 4-day summons if defendant has no defence on the merits.

Liens—Where goods over the value of $15 are sold upon condition that the right of property or possession shall not pass until the payment of the purchase price, a copy of the agreement of sale with affidavit of bona fides must be filed in the registration district within which the purchaser resides, within thirty days, or the seller cannot set up his right against subsequent purchasers, mortgagees or creditors. There must be a sufficient description of the goods sold so that they may be readily and easily known and distinguished. The lien expires in two years unless renewed. In case the vendor repossesses the goods he must retain the same for twenty days before selling, during which time the purchaser may redeem, and he must also give purchaser notice of the sale.

Limitation of Actions—All actions for the recovery of merchants' accounts, bills, notes, and all actions of debt grounded upon any lending or other contract without specialty shall be commenced within six years after the cause of such action arose.

The provisions of The Real Property Limitation Act, 1874, being chapter 57 of the Statutes of the Imperial Parliament, passed in the 37th and 38th years of Her Majesty's reign, are declared to be in force, and to have been in force in the Territories since the passing thereof.

Judgments outlaw in 12 years, and contracts under seal in 20 years.

Married Women—In respect to land acquired after Jan. 1st, 1887, they have all the rights and are subject to all the liabilities of a *femme sole*, and may in all respects deal with land as though unmarried ("The Land Titles Act, 1894," 57-58 Vic. c. 28, Dom.).

In regard to personal estate their position is not altogether clear. The N. W. T. Act, R. S. Can. c. 50, ss. 36-40, declares, that "all wages and personal earnings of a married woman, and acquisitions therefrom, and all profits of any occupation or trade carried on by her, separate from her husband, or derived from any literary or artistic skill, and all investments of the same, are free from the debts or dispositions of her husband, and shall be held and enjoyed by her, and be disposed of without her husband's consent, as fully as if she were a *femme sole*." No order for the protection of the same is necessary. Possession by the husband of the personal property of a married woman shall not render the same liable for his debts. A husband is not by reason of marriage liable for the debts of his wife contracted before marriage, but the wife and her separate property shall be liable therefor as though she had continued unmarried; and a husband shall not be liable for any debts of his wife in respect of any employment in which she is engaged on her own behalf, or in respect of her own contract. A married woman may sue in respect to her separate property as though unmarried, and may be sued separately in respect to her separate debts, contracts or torts as though unmarried.

Con. Ord. N. W. T., c. 47, declares that a married woman shall in respect of personal property be under no disabilities whatsoever heretofore existing, by reason of her coverture or otherwise, but shall in respect of the same have all the rights and be subject to all the liabilities of a *femme sole*.

Real Estate—The Torrens System has been in force in the Territories since 1st Jan., 1887. A certificate of title is issued to the owner, which is binding upon all persons including the Crown, declaring that the owner is entitled to the estate mentioned in the certificate in the lands therein described, subject to the liens, encumbrances, and interests mentioned on the certificate. The certificate is conclusive evidence. Whenever any dealing takes place in regard to the land the certificate must be produced, and a memorial of the dealing endorsed upon the certificate. No instrument is of any effect until registered, and cannot be registered without the production of the certificate. Persons entitled under unregistered instruments, or to equitable estates, &c., can protect their interests by caveat.

The whole matter is set out in "The Land Titles Act, 1894," 57-58 Vic. c. 28, Dom. Stats.

Replevin—In any action for the recovery of any personal property, and claiming, whether alone or with any other claim, that it was unlawfully taken, or is unlawfully detained, the plaintiff may, at any time after the issue of the writ of summons, obtain a writ of replevin upon filing an affidavit of himself or his agent, naming the judicial district in which the property is, giving description and value thereof, stating that the person claiming is the owner or entitled to the possession thereof. Further stating in case the property was taken for distress, for rent or damage, feasant that fact. Also stating if the possession was got by fraud the particulars of the fraud. The plaintiff must enter into a bond with two sureties in double the value of the property.

Service of Writs—Service must, generally, be personal. It may be made by any person other than the plaintiff. In certain cases a judge may make order for substitutional service by advertisement or otherwise. When the defendant resides outside the Territories a judge's order for leave to issue a writ for service ex juris must be obtained, which order states the time for appearance.

Taxes—Land is not subject to taxes unless it is situate within a municipality, school district or local improvement district.

Land may be sold for arrears of taxes. The time for redemption is one year.

Wills—Every person may dispose of by will all real and personal property to which he is entitled either at law or in equity at the time of his death. No will made by any person under the age of 21 years is valid. No will is valid unless it is in writing, and signed at the foot or end thereof by the testator, or by some other person in his presence and by his direction; such signature shall be made or acknowledged by the testator, in the presence of two or more witnesses present at the same time, who shall attest and shall subscribe the will in the presence of the testator, but no form of attestation is necessary. Devise (other than a charge for the payment of a debt) to a witness, or the husband or wife of a witness, is void, but the witness may prove the execution of the will. No will, codicil, or any part thereof, shall be revoked otherwise than by marriage, or by another will or codicil executed as above described, or by some writing declaring an intention to revoke the same, and executed in the manner in which a will is required to be executed, or by the burning, tearing, or otherwise destroying the same, by the testator, or by some person in his presence and by his direction, with the intention of revoking the same.

Synopsis of the Laws of British Columbia.

Compiled by Wilson, Senkler & Bloomfield, Barristers. Vancouver, B.C., of the British Columbia Bar.

(Revised to 1st January, 1906.)

Absconding Debtor—If any person resident in British Columbia, indebted to any other person to an amount exceeding $100, departs from the province, with the intent to defraud his creditors, his goods are liable to seizure under a writ of attachment.

When a plaintiff has such a claim, and can show that the debtor has left the province to avoid being arrested or served with process, or to defraud the plaintiff, any Judge of the Supreme or County Court, according to jurisdiction, may direct a writ of attachment to issue, and may appoint in the order a time for the defendant to put in special bail, having due regard to the distance of the place where the absconding debtor is supposed to have gone.

Arrest—Process of contempt for non-payment of money is abolished, but when the plaintiff shows to the satisfaction of a Judge that he has a cause of action against the defendant for $100 or upwards and that the defendant is about to leave the Province unless apprehended, the Judge may by special order direct the defendant to be held to bail for such sum as he shall think fit. Writ of Ca. Re. issues on such order. If bail not given, defendant remains in custody. After judgment the Judge may discharge defendant if satisfied of his inability to pay; Ca. Sa. after judgment on satisfying Judge, defendant about to leave Province with intent to defraud his creditors but will be discharged if he shows inability to pay.

The County Court has the same powers of arrest as the Supreme Court within its jurisdiction.

Assignment for Benefit of Creditors—An assignment may be made of all real and personal property to any person, for the purpose of ratably satisfying creditors. Assignment must be registered in the County Court within 21 days from date. Notice of the assignment must be published in the *British Columbia Gazette* and in a daily newspaper for one issue under a penalty of $10 per diem. Assignment takes precedence of all judgments, executions and attachments, not completely executed by payment.

The assignee may be removed by any Judge of the Superior Court on the application of a creditor, on petition supported by an affidavit. All questions arising at creditors' meetings are decided by a majority of votes given by the Act on a sliding scale, according to the amounts of the claims.

Bills of Sale and Chattel Mortgages—Bills of Sale of personal chattels remaining in the possession of a grantor must be verified by affidavit and registered within twenty-one days of the date of execution, or they are void as against the assignees of the estate of the grantor and sheriff's officers and others seizing goods in execution and as against subsequent purchasers and mortgagees in good faith for valuable consideration. At time of registration affidavit of bona fides by mortgagee must be filed.

Hire and purchase agreements require registration the same as bills of sale. If the bill of sale be made, or given subject to any defeasance, condition or declaration, not contained in the body thereof, it is null and void to all intents and purposes as against the same persons as if it had not been filed.

Joint Stock Companies—The Statute relating to this subject repealing all former enactments relating to the organization of Joint Stock Companies is founded on the Imperial Acts 1862 to 1897.

The liability of a shareholder may be limited to the amount of shares; limited by guarantee, or unlimited.

Mining Companies may be incorporated without any personal liability.

Courts—The Courts are the Supreme and County.

There are five Judges of the Supreme Court who singly exercise the functions of Courts of first instance and collectively sit as a Court of Appeal. The jurisdiction is unlimited.

The County Court has common law jurisdiction in all personal actions where the debt or damages claimed does not exceed $1,000, save malicious prosecution, libel or slander, criminal conversation, seductions, breach of promise of marriage, and against a J. P. for anything done by him in the exercise of his office. Equitable jurisdiction when amount involved does not exceed $2,500.

There is also a Small Debts Court presided over by a Stipendiary Magistrate having jurisdiction in actions of debt to the amount of $100.

Judgments—In the Supreme Court, where the writ of summons is endorsed for a liquidated demand, and the defendant fails to appear within eight days thereto, the plaintiff may enter final judgment for any sum not exceeding the sum endorsed on the writ, together with interest, at the rate specified. Speedy judgment can also be obtained where a proper case can be made out that the defendant is only attempting to delay by his appearance, and has no good defence.

Judgment in the County Court can be signed, in default, after nine days from the service of the summons, if for a liquidated demand, and speedy judgment obtained as in the Supreme Court.

Education—Compulsory between ages of seven and twelve, subject to some exemptions. Free Public and High Schools.

Enforcement of Judgment—Execution against goods issued forthwith after judgment. The judgment on being registered is a lien on the debtor's lands and application must be made to a Judge for leave to sell so much as will satisfy the judgment.

The goods of the debtor are exempt from forced seizure and sale to the amount of $500, and homestead lands to the value of $2,500.

The judgment debtor may be compelled to submit to a rigid examination as to the property he had at the time debt was incurred, and as to property he still has and any disposal since debt incurred and may be committed for unsatisfactory answers.

A judgment for the recovery of any property other than lands or money may be enforced by writs for the delivery of the property, of attachment or sequestration.

In the County Court execution may issue forthwith after judgment against goods, and against lands thereafter, by special order, as if in the Supreme Court.

Priority of execution is abolished. Provision made for rateable distribution of debtor's assets among his creditors in proceedings analogous to bankruptcy.

Garnishment—Debts due to the defendant may be attached in the County Court at the time of the issue of the summons; and in the Supreme Court upon an ex parte application to a Judge; the Judge may, however, allow sufficient to a judgment debtor to maintain him and family, but not to exceed $40 a month.

Interest—Subject too delicate to be disposed of briefly but generally freedom of contract prevails. Judgment debts bear interest at the rate of 5 per cent. per annum.

Laws—The Civil Laws of England, as the same existed on the 19th day of November, 1858, and so far as the same are not from local circumstances inapplicable, are in force: Provided, however, that the said Laws shall be held to be modified and altered by all legislation, still having the force of law of the Province of British Columbia or of any former colony comprised within the geographical limits thereof.

Limitation of Action—Actions founded on simple contract must be commenced within six years after cause of action arose; trespass, assault, battery, wounding and imprisonment 4 years; slander, 2 years; recovery of land, 20 years; specialty debts, 20 years.

Married Woman—May now contract, hold and enjoy property real and personal, in the same manner as if unmarried; and may also sue and be sued with reference to such separate estate.

Mining Law—These are comprised in Legislative enactments, too numerous to detail in a short space.

Generally—Any person over 18 years of age may become a free miner and prospect and locate mining claims.

Claims upon which mineral has been found can be located by a free miner. The size of the claim 1,500 feet in length by 1,500 feet in breadth in as nearly as possible a rectangular form, marked by two posts 1,500 feet apart, as near on the vein or ledge as possible, upon

which shall be written the name of the claim, the name of the locator and the date of location; also on No. 1 post the approximate compass bearing of No. 2 post, and a statement of the number of feet lying to the right and left of the line between the posts.

A Crown grant may be obtained on showing that a certificate of work to the amount of $100 in each year for five years has been received, or it may all be done in one year, or $500 cash paid to the Crown.

Leases of land for hydraulic and placer mining are also issued.

Mining companies can be formed with limited liability.

Coal prospecting licenses are issued; but coal now goes to the grantee of the land, subject to a royalty.

Registration of Land—The system of registration has some of the features of the Torrens System providing for registration of title to land; every estate or interest in land other than fee simple being registered as a charge; charges take effect according to priority of application for registration. Purchaser for value of registered interest in real estate is not affected by any notice of any unregistered title other than a leasehold interest in possession for 3 years. Certificate of Registration prima facie evidence of title. Indefeasible title may be obtained after seven years registration.

Act introducing Torrens System passed at Session of Legislature 1899, to be introduced by proclamation.

Land—Not exceeding 320 acres east of Cascade Range of mountains and 160 acres west, may be pre-empted by widow, head of family or any person over 18 years of age and on performance of statutory duty afterwards purchased for $1.00 per acre.

Solicitor—Any person duly admitted to practise as a solicitor or attorney in any of His Majesty's Courts in England, Scotland or Ireland, or in any of the Superior Courts of His Majesty's Colonies, Dependencies, Territories or Provinces of Canada, may be admitted as solicitor of the Supreme Court of British Columbia: Provided he shall have paid the fees prescribed by the Law Society of B. C. and shall have passed an examination concerning his knowledge of the Statute law of the Province of B. C. and the practice of the Courts, and shall produce satisfactory evidence of good standing, character and repute.

Synopsis of the Laws of Manitoba.

Compiled by Archibald, Machray & Sharpe, Barristers, Winnipeg, of the Manitoba Bar.

(Revised to 1st January, 1906.)

Arrest—In Queen's Bench—No person can be arrested or held to bail for debt or for non-payment of money.

In County Court—The defendant may be summoned to attend for examination as a judgment debtor, and if he refuse to attend or to be sworn, or to answer, or if it appear by his own or other evidence that he obtained credit or incurred the debt by false pretences, or by fraud or breach of trust, or that he contracted the debt without reasonable expectation of being able to pay it, or that he has fraudulently disposed of his property, or if it appear that the party, when summoned, or since the judgment was obtained, had sufficient means or ability to pay the debt all at once or by instalments which the Court has ordered to be paid, and the debtor has neglected or refused to pay at the time and in the manner ordered, the Judge may imprison the debtor for any period not exceeding forty days with or without hard labor, but this shall not discharge the debt.

Attachment—No writ of attachment now issues, but an Order for attachment may be obtained in an action commenced by a Statement of Claim. Such Order will issue in case of a debtor being an inhabitant of the Province, who departs therefrom with intent to defraud his creditors or those having cause of action against him, or to avoid being arrested or served with process, or who keeps himself concealed in the Province with a like intent; or in the case of a non-resident debtor, when he is legally liable to a resident creditor on a contract or obligation to be performed in the Province or liable to be compensated for in damages; or when the debtor, whether resident or non-resident, is about to transfer or remove any of his property from the Province, or has already done so, with intent to delay, defeat or defraud his creditors or those having cause of action against him. The Order for Attachment from the time of its delivery to the Sheriff binds all the goods and chattels of the person against whom the same is issued not exempt from seizure under execution, or from liability to answer a judgment upon the cause of action upon which the Order issued. A certificate of the issue of such Order of Attachment can be registered in any Registry Office and bind the interest of the person against whom the Order issued in all lands in such district.

Barrister—If a barrister, attorney or solicitor from England, Scotland or Ireland, or from any of the Provinces or Territories of the Dominion of Canada, desire to be called or admitted to practise in this Province, he must give notice to the Secretary of the Law Society in the prescribed form, of his intended application. He must before the 1st of June or December produce his diploma or certificate of his call to the Bar, or a certificate of his admission as an attorney or solicitor, as the case may be, in the country, province or territory where he has been so called or admitted; a testimonial of good character and conduct; a statutory declaration made by himself that he is now on the roll of barristers, attorneys or solicitors in such country, province or territory, in good standing, and that so far as he is aware, no application is pending at the time of such declaration to strike him off the Roll; and a receipt from the Treasurer of the Society of the fees payable on his admission. The fees are $150 for admission as barrister, and $350 for admission as an attorney or solicitor—a fee of $2 is also payable on every notice.

Bankruptcy—There is no Bankruptcy Law in this Province, but a debtor may make an assignment for the benefit of his creditors, and insure a ratable distribution of his assets.

Bills of Sale and Chattel Mortgages—Sales and mortgages of personal property not accompanied by an immediate delivery and followed by an actual and continued change of possession, are absolutely void as against creditors of vendor and mortgagor, and subsequent purchasers or mortgagees in good faith for value without actual notice, unless a bill of sale or mortgage or a true copy of the mortgage be filed with the clerk of the County Court in the Judicial Division where the goods and chattels are situate, within twenty days from the execution thereof, accompanied by an affidavit of execution, and an affidavit of the vendee or mortgagee showing the good faith of the transaction. Such mortgage must be renewed within 30 days preceding the expiration of two years from date of filing, by filing a statement exhibiting the interest of the mortgagee in the property, and showing the amount due and payments made, and that the mortgage is not kept on foot for any fraudulent purpose, otherwise it will cease to be valid as against creditors and subsequent purchasers and mortgagees in good faith for valuable consideration

Courts and Jurisdiction—Queen's Bench—Is a Court of Record of original and appellate jurisdiction, and possesses all the jurisdiction, powers and authorities in all matters civil and criminal whatsoever, which, by the laws of England, were on the 15th day of July, 1870, possessed and exercised or incident to the Court of Chancery in England, and by Superior Courts of Common Law at Westminster, and by the Court of Chancery at Lincoln's Inn, and by the Court of Probate, and by any Court in England having cognizance of property and civil rights and of crimes and offences; and holds plea in all, and all manner of actions, and decides all matters of controversy relative to property and civil rights.

Procedure and rules of evidence are regulated by the rules of evidence and modes of practice and procedure as they existed in England on the 15th of July, 1870, except as altered by Provincial statute and rules of Court. By Provincial statute, "The Queen's Bench Act, 1895." The Rules of Procedure and Practice are made practically identical with the Judicature Act and rules in England and Ontario, with one step in advance, namely, the writ of summons is abolished and actions are

commenced by statement of claim, to which defence must be delivered, if served in Manitoba, within sixteen days, and within four weeks if served in other parts of Canada or United States, within eight weeks if served in Great Britain, within twelve weeks if served elsewhere. The Court is composed of a chief justice and three puisne judges, three of whom sit as a Court of Appeal four times a year, which is the highest Court of Appeal in the Province, and appeals therefrom may be had to the Supreme Court of Canada.

County Court—Has jurisdiction in all actions of tort where the damages claimed do not exceed $250, and in replevin where the value of the goods does not exceed $250, and in all personal actions for claims and demands of debt account, breach of contract, covenant or money demands to the extent of $400; but have no jurisdiction in actions for gambling debts, or for price of liquor drunk in a hotel; or where the title to land is called in question, or the validity of any will is called in question, or in any action for malicious prosecution, libel, slander, etc., or actions against Justices of the Peace. The procedure is simple and inexpensive, and debtors may be ordered to pay the debt at a stated time or times, and in default be committed to gaol as for contempt (see arrest).

Evidence—All parties can testify upon oath (or affirmation, if oath objected to); husband and wife also, except in criminal cases. In suits against personal representatives, evidence as to matters prior to death must be corroborated.

Execution—In King's Bench—Execution issues on judgment forthwith, or at any time within six years, without leave. After six years leave must be obtained.

In County Court—Issues six days after judgment, or immediately on Judge's order.

Priority of claim in respect of writs of execution is abolished. The Sheriff distributes all moneys realized by him on writs of execution ratably among the persons having unsatisfied executions in force in his hands at the expiration of three months from the publication by him of a notice in the *Manitoba Gazette*. Such notice must be published within one month after the realization.

Exemptions—Following property is exempt from seizure under executions:—

(*a*) Bed and bedding, household furniture and effects in use of debtor and his family to the value of $500.

(*b*) Ordinary clothing of debtor and his family.

(*c*) Twelve volumes of books, the books of a professional man, an axe, saw, gun and six traps.

(*d*) Necessary food for debtor and his family for thirty days.

(*e*) Three horses, mules or oxen, six cows, ten sheep, ten pigs, fifty fowls and food for same for eleven months. Exemption as to horses over four years of age . . . applies only in case they are used by the debtor in earning his living.

(*f*) Tools, agricultural implements and necessaries used by debtor in practice of his trade, profession or occupation, to the value of $500.

(*g*) Articles of furniture necessary to performance of religious service.

(*h*) The land upon which the debtor and his family actually reside, and which he cultivates or uses for grazing or other purposes, to the extent of 160 acres.

(*i*) The house, stables, barns and fences on the debtor's farm.

(*j*) All necessary seeds or roots for the seeding and cultivation of 80 acres.

(*k*) The actual residence or home of any person other than a farmer to the value of $1,500.

(*l*) The debtor cannot by any contract or bargain, whether under seal or otherwise, deprive himself of his right to exemptions. Every contract or agreement to that effect is by statute made null and void.

(*m*) Sheriffs and bailiffs are prohibited from seizing anything exempted by statute. Insurance on exemptions is also exempt.

Garnishment—In both King's Bench and County Court, plaintiff may in all actions (as well damages as actions of debt, etc.), *at any stage of the action*, garnish all debts, obligations and liabilities due, owing and payable, or accruing due. Provided that the wages or salary of a mechanic, laborer, servant, clerk or employee to the extent of $25 are exempt from garnishment, and only the excess over $25 can be garnisheed, except where the debt has been contracted for board or lodging, and in the opinion of the Judge of the Court in which the action has been brought such exemption is not necessary for the support and maintenance of the debtor or his family or relatives depending on him for support. In any such case the Judge may order that no such exemption shall be allowed.

Interest—Legal rate, 5 per cent. Any rate can be agreed upon and collected.

Judgments—See Limitations of Actions.

Life Insurance—Life Insurance for Benefit of Wives and Children—May be effected by parents, or insurance already effected may be appropriated to his wife and children and may be apportioned amongst them. Such insurance is not liable for parents' debts at his or her death, but may be revoked.

Limitation of Actions—Actions must be brought within six years on open account, promissory note, simple contracts, etc.; within ten years on mortgages and on money charged in any way on land; or within the like time in either case from the last payment on account or acknowledgment in writing signed by the party chargeable, or his duly authorized agent. A judgment, whether originally recovered in this Province or elsewhere, must be re-sued within ten years, but no action lies on a judgment recovered on a judgment.

Married Women—May hold and enjoy property free from the debts and control of their husbands in as full and ample a manner as if unmarried, and may contract with respect to their separate property, and may also trade and carry on business as if unmarried.

There is no Dower, but the wife takes the same right in land of her deceased husband as if it were personal property; that is, if he dies intestate leaving issue, she takes one-third of his whole estate, real and personal, absolutely, and the children the other two-thirds in equal shares; if the husband leaves no issue, then the wife takes the whole of his property.

Registration—Registry laws are in force, and the title to all lands may be registered, and if so registered documents take priority over unregistered unless there is actual notice of the prior unregistered instrument of title.

Affidavits of execution for the purpose of registration may be made before the following persons:

(*a*) If made in Manitoba it may be before—

(1) Any person authorized to take affidavits in the province; or before—

(2) The Registrar or Deputy-Registrar of the district in which the lands lie; or before—

(3) Any Justice of the Peace for the Province.

(*b*) If made in any of the other provinces of the Dominion or in Great Britain or Ireland, it may be made before—

(1) A Judge of any of the Superior Courts of law or equity therein; or before—

(2) A Judge of any of the County Courts within his district; or before—

(3) The Mayor or Chief Magistrate of any city or borough or town corporate therein, certified under the common seal of such city, borough or town corporate; or before—

(4) Any Notary Public, certified under his official seal; or before—

(5) A Commissioner for taking affidavits outside the province to be used in the province.

(*c*) If made in the North-West Territories of the Dominion of Canada or in the District of Keewatin, it may be made before—

(1) A Judge of any Court or Police Magistrate; or before—

(2) A Commissioner authorized to take affidavits for use in said territories or district, or for use in this province; or before—

(3) Any Notary Public under his official seal, or any Justice of the Peace.

(*d*) If made in British possessions in India, it may be made before any magistrate or collector, certified to have been such under the hand of the Governor of such possession.

(*e*) If made in any other British colony or possession, it may be made before—

(1) A Judge of a Court of Record, or of any Court of supreme jurisdiction therein; or before—

(2) The Mayor of any city, borough or town corporate, and under the common seal of such city, borough or town; or before—

(3) Any Notary Public, certified under his official seal.

(*f*) If made in any foreign country it may be made before—

(1) The Mayor of any city, borough or town corporate of such country, and under the common seal of such city, borough or town corporate; or before—

(2) Any Consul or Vice-Consul of His Majesty resident therein; or before—

(3) A Judge of a Court of Record or a Notary Public, under his official seal.

What is commonly known as "The Torrens System" of titles is also in force, and all lands may be brought under the system. On the title being investigated and found good, a certificate of title is issued which is absolute and indefeasible and cannot be questioned except for fraud.

Wills—All persons of sound mind and of the age of 21 years may dispose of every kind of property and of every interest therein by will which must be in writing, signed at the foot or end thereof by the testator or by some other person in his presence and by his direction, and the signature shall be made or acknowledged in the presence of two or more witnesses present at the same time, and the witnesses must attest and subscribe the will in the presence of the testator, except a holograph will, wholly written and signed by the testator himself, which is not subject to any particular form and does not require any attesting witnesses.

Intestacy—Real and personal property devolve in same way.

(1) If intestate leave a widow and child or children, one-third of his whole estate goes to widow and the remaining two-thirds to his child or to his children in equal shares, children of a deceased child (or, failing such, the lineal descendants of deceased child), take share of deceased child. If all descendants are of same degree of kindred they take equally—otherwise according to the right of representation.

(2) If intestate leaves a widow and no issue, the widow takes all.

(3) If intestate leaves father, but no widow or child, father takes all.

(4) If intestate leaves children, but no widow, children take all *per stirpes*.

(5) Child advanced during life of intestate must abate *pro rata*.

(6) No distinction between whole blood and half blood.

(7) Posthumous child, when there is a will and no provision for it, takes as if there were an intestacy.

(8) The separate property of a married woman dying intestate is distributed in the same manner as the property of a husband dying intestate.

Synopsis of the Laws of New Brunswick.

Compiled by L. P. D. Tilley, of Tilley & Smith, St. John, N.B., Barristers of the New Brunswick Bar.

(Revised to 1st January, 1906.)

Absconding Debtor—If debtor indebted in the sum of $40.00, above all discounts, to applying creditor, departs from or keeps concealed within the Province, with intent to defraud his creditors, his property may be taken under warrant and delivered to trustees for benefit of creditors. (Consolidated Statutes of N. B., 1903, c. 135.)

Arrest—Where claim is for liquidated amount over $20.00, arrest can be had in Supreme or County Court, before judgment, on affidavit stating that amount is justly due, and that arrest is not made for the purpose of vexing or harassing the debtor. If affidavit is by agent he must state that arrest is caused at his instance. In cases where affidavit is made outside of Province, the same shall be sworn to before a person authorized to take affidavits for use in this Province. The allegation that debtor intends to depart from jurisdiction is not necessary, except where arrest is made after commencement of action by ordinary writ of summons in higher Courts, and in cases for claims under $80.00, in the City Court of St. John. When claim is not for a sum certain a writ of capias may be issued upon a Judge's order for the purpose obtained upon affidavit. (Con. Stat. 1903, c. 130.)

Bankruptcy—Governed partially by "Act respecting Assignments and Preferences by Insolvent Persons," whereunder assignment can be made to sheriff, or to assignee named by majority of creditors having claims over $100, who must be a bona fide resident of the Province of New Brunswick. No preferences allowed, and no discharge to debtor. Assignee must call meeting within five days after assignment, and meeting must be held within twelve. Notice of such meeting to be sent by registered letter to creditors, and published in "Royal Gazette." Claims to be filed within three months from notice unless further time allowed by Judge. At meeting creditors having proved claims, elect inspectors, and direct assignee in disposition or conduct of estate. There is no power to compel an insolvent to assign, but an assignment once made takes precedence of all judgments and executions, subject to claim of any execution creditor for the fees and expenses of the sheriff or other officer on such executions prior to assignments. (Con. Stat. (1903) c. 141.) By the Creditors'

Relief Act, Con. Stat. (1903) c. 129, priority among creditors is abolished, where a levy is made under an execution for $200 and upwards against the property of a debtor.

Barristers—Barristers from British Colonies or Possessions will be accorded in New Brunswick the same rights and privileges as are granted in such jurisdictions to barristers from this Province. Attorneys must study one year before being admitted to the bar.

Courts and Jurisdiction—SECURITY FOR COSTS—The Supreme Court has jurisdiction in all actions for debt or damage irrespective of amount. A creditor, residing out of the jurisdiction, upon demand must give security to the extent of $200. The Supreme Court in Equity has the powers of the Court of Chancery in England. Security for costs $500. The County Courts have jurisdiction up to $400 *in contract and $200 in tort*, except actions where the title to land is brought in question, or in which the validity of any devise, bequest or limitation is disputed. Security, $80 to $100. Probate Courts have jurisdiction over the granting of probate or letters of administration. Where infant's estates do not exceed in value $5,000, the Probate Court may appoint guardians of the person or estate; the Equity Court has jurisdiction without limit as to amount of estate. Security for costs may be ordered in "such reasonable amount" as Judge may direct. (Con. Stat. (1903), c. 118, s. 72.) There is also a Court for Divorce and Matrimonial Causes, and numerous small-debt Courts, City Courts, Parish Courts, and Commissioners' Courts of inferior and local jurisdiction.

Bills of Sale and Chattel Mortgages—Where mortgage or sale is made not accompanied by immediate delivery, and an actual and continued change of possession of the goods conveyed, the conveyance or a copy proved by affidavit of the subscribing witness, together with an affidavit of the mortgagee or his agent of the *bona fides* of the transaction, must be filed within thirty days with the Registrar of Deeds of county wherein maker resides, if within the Province, or of county where the goods are if maker resides without. The statute provides for filing statement of amount due each year, and on neglecting to file statement, after *thirty* days' notice from any creditor of mortgagor served on mortgagee, the mortgage ceases to be valid against an execution creditor. On neglect to file, after thirty days' notice served on mortgagee, the mortgage ceases to be valid against execution creditor. (Con. Stat. (1903), c. 142, s. 11.)

Companies—Incorporated otherwise than under legislation of the Province are required to take out yearly Provincial licenses to do business within the Province. (If the capital stock does not exceed $100,000 the fee is $50; if in excess of that sum, the fee is $100.) Exception is made in case of travellers, where company has no resident agent, and no office in Province. (Con. Stat. (1903), c. 18, ss. 12 and 22.)

Conditional Sales of Chattels—Chattels sold upon the hire and instalment plan must bear name of vendor to be valid against subsequent bona fide purchaser, and a writing of the sale must be signed by the bailee or his agent, and must be filed with registrar of deeds where purchaser resides within 15 days from the delivery of possession of chattel. (Con. Stat. (1903) c. 143, ss. 1 and 2.

Executions—On judgments in Supreme and County Courts executions may be issued within twenty years from signing of judgment. Personal estate of all kinds may be seized and sold, and after such exhausted lands necessary rights in land, rights of entry, beneficial rights and other interests in real estate may be sold. Wearing apparel, bedding, kitchen utensils and tools of trade or calling to value of $100 of any debtor exempt. (Con. Stat. (1903) c. 128, s. 34.) Priority of creditors is abolished where sheriff levies under an execution for $200 and upwards. ("The Creditors' Relief Act," Con. Stat. (1903), c. 129.)

Imprisonment for Debt After Judgment on Execution.—Is only allowed in inferior Courts, such as the City Court of St. John, the Parish Courts and Justices' Courts. (Con. Stats. (1903), c. 130.)

Garnishment—On judgments in County or Supreme Court, where amount due on judgment exceeds $80.00, and debts, exclusive of costs, exceeds $40.00, debts due the judgment debtor may be garnisheed. Wages due the judgment debtor for his personal labor and services on a hiring to the extent of $20.00 shall be exempt from garnishment. (Con. Stat. (1903) c. 134.)

Interest—Five per cent., unless otherwise agreed.

Judgments—In default of appearance final judgment may be signed in the Supreme Court in forty days, and in the County Court in thirty days from service of summons, or if the action is upon a bill of exchange, promissory note, or cheque, or a bond or contract under seal for payment of a liquidated amount of money, a specially endorsed writ may be issued in the Supreme Court and final judgment signed in twenty days where the writ is specially endorsed and execution issued ten days thereafter: an appearance may be set aside by Judge's order, on affidavit proving claim and the Judge being satisfied that the defence is merely intended to delay. Memorials of judgments in the Supreme or County Courts may be registered and bind lands in county of registry for five years, after which period they may be renewed. Judgments bear interest at 5 per cent.

Limitation of Actions—On judgment and specialties twenty years; for penalties for assault, battery, wounding, imprisonment, or for words, two years: other causes of action, six years. Personal actions against minors, persons insane, or out of the Province, may be commenced within like period after removal of disability. (Con. Stat. (1903) c. 138.) Real actions, twenty years; against Crown, sixty years. (Con. Stat. (1903) c. 139.)

Married Women—May contract and sue and be sued same as *feme sole*. Judgment good, however, merely against separate property, but immaterial whether acquired before or after marriage, or whether she had any property at date of contract. Can dispose of property freely, subject to husband's rights as tenant by courtesy where married before commencement of Act, 1st Jan., 1896. (Con. Stat. (1903), c. 78, p. 75.)

Registry of Deeds—All conveyances must be registered, otherwise ineffective against subsequent *bona fide* purchaser. Deeds may be acknowledged or proved out of New Brunswick before a notary public, the mayor or chief magistrate of any city or town, certified under corporate seal, Judge of Supreme Courts, British Minister, Ambassador or Consul, Governor of any State, certified under hand and seal of respective office. For all purposes respecting the registration of an instrument executed by a corporation, the seal of the corporation affixed to said instrument, with the signature of the secretary or authorized officer thereof, accompanied by affidavit that such seal is the corporate seal of said company and was affixed by order of the corporation or board of directors thereof, and that such signature is the signature of such officer of the company, is sufficient. (Con. Stat. c. 151, s. 51.)

Sheriff's Fees for service of processes, "Travelling on all processes from Court House, 7½ cents per mile going and returning:" 5 Edw. VII. c. 22 (1905).

Wills—Will must be in writing signed by testator in presence of two witnesses, who shall subscribe as witnesses in his presence and in presence of each other. No form of attestation necessary. Executors may witness, but any legacy to witness is void. Con. Stat. (1903) c. 160.

Intestacy—Real estate to children or their legal representatives, then to next of kindred, and their representatives, including hose of half blood. That is: 1st, children; 2nd, father or mother, rd, brothers and sisters and descendants of deceased brothers and sister *per stirpes*, and so on. Widow has dower. Husband has tenancy by the courtesy, though where marriage took place after Jan. 1st, 1896, it is doubtful if the right has not been taken away by Con. Stat. (1903) c. 78. Personal estate is distributed one-third to widow, and the residue in equal proportions amongst children and their representatives. If no descendants, one-half to widow, residue amongst next of kin in equal degree and representatives, but no representation among collaterals after brothers' and sisters' children. If no widow, all to children. (Con. Stat. (1903) c. 161.) Of the separate personal property of a married woman dying intestate, one-half goes to husband, balance to children, if no children, all to husband. (Con. Stat. (1903) c. 78.)

The consideration must be sworn to by the grantor or mortgagor or agent. A form of affidavit is prescribed, and it must be strictly followed. As against purchasers and creditors a bill of sale shall only take effect and have priority from the time of filing Bills of Sale and Chattel Mortgages must be renewed within thirty days next preceding the expiration of three years from the filing thereof, otherwise they cease to be valid

Conditional Sales—Every agreement for the sale of goods and chattels, and a hiring or lease accompanied by immediate delivery and change of possession, whereby it is agreed that the property in the goods and chattels, or a lien thereon for the price or value thereof, shall remain in the hirer, lessor or bargainor until payment, must be in writing and signed by the parties and accompanied by an affidavit of either of the parties thereto, setting forth the contract, and must be filed as a bill of sale or chattel mortgage, otherwise it shall be void as against the creditors and subsequent purchasers and mortgagees of the person to whom such chattels are hired, leased or agreed to be sold.

Courts and Jurisdiction of—The Supreme Court has jurisdiction in criminal and civil cases. For actions on contract the claim must be at least $20. It has all the powers of the Court of Chancery in England. The County Courts have jurisdiction in all actions for debt where the amount is at least $20 but not exceeding $400, and in all actions for damages not exceeding $400, and in other actions subject to certain exceptions.

The Court for Divorce and Matrimonial Causes has jurisdiction relating to prohibited marriages and divorce.

Courts of Probate are established in each county of the province and have jurisdiction over the estates of deceased persons and to grant letters testamentary or letters of administration in the county where deceased last dwelt or where the estate is situate, and when necessary power is given to appoint guardians for infants. Hereafter when a vacancy shall occur in the office of Judge of Probate, such vacancy shall not be filled, and the contentious business of the district shall be assigned to the Judge of the County Court for that district, and the Registrar of Probate shall have the same powers as the Judge of Probate now has in relation to non-contentious business.

Municipal Courts are established in each incorporated city and town and municipal corporation or police division. These are presided over by Stipendiary Magistrates or Recorders exercising criminal and civil jurisdiction. Justices of the Peace in their respective counties have similar jurisdiction.

Execution—May issue on the entry of a judgment by default in the Supreme and County Courts, also on judgments in contested actions, unless pending an appeal or an order for a stay has been granted. When delivered into the hands of the Sheriff it binds the goods of the judgment debtor against all persons except a *bona fide* purchaser without notice. The lands of the judgment debtor are not bound by the issue of an execution, but are by the recording in the Registry of Deeds of a certificate of the docket of judgment, and may be sold by levy under execution after one year from the date of the recording of such certificate. Title to the lands is given by deed from the sheriff to the purchaser.

Imprisonment for Debt under execution has been abolished, except in case a debtor is about to leave the Province; in case of his disobeying a Judge's or Commissioner's order for payment by instalments; where the judgment is in respect of a penalty or a rate or tax; where the judgment is against a defaulting trustee or solicitor. A creditor who has a judgment can examine his debtor as to his means and ability to pay the debt before a judge or a commissioner, and the debtor may be ordered to pay the debt by instalments. The following property is exempt from execution: The necessary wearing apparel, beds, bedding and bedsteads of the debtor and his family. Certain house furniture and utensils for domestic use, ten volumes of books, and fishing nets, the value of which is not to exceed $20. All necessary fuel, meat, fish, flour and vegetables, actually provided for family use, not more than sufficient for the ordinary consumption of the debtor and his family for 30 days, and not exceeding in value the sum of $40. One cow, two sheep, and one hog, and food therefor for 30 days; tools and implements of, or chattels ordinarily used in the debtor's occupation, to the value of $30.

Insolvency—The Statute entitled "The Assignments Act" aims at securing equal distribution of the property of debtors by declaring a confession of judgment, any transfer of property or other transaction made or given by a debtor with intent to hinder or delay his creditors to be invalid. Judgments by confession and transfers of property, if followed by an assignment by the debtor for the benefit of his creditors within sixty days, shall be presumed to have been made with intent to delay creditors and to be an unjust preference.

Any person may assign his estate in trust for his creditors to the official assignee (appointed by the Governor in Council) for the county in which he resides within the Province, provided the creditors consent.

The requisite machinery is provided for the ultimate realization of the estate, and its distribution among creditors who shall prove their claims and file same with the assignee.

Garnishment—Debts due a judgment debtor may be attached or garnisheed. The wages of a servant, laborer or workman shall not be subject to attachment unless the debt amounts to or exceeds $40, and if the debt exceeds $40 it shall be bound only as to the excess.

Interest—The laws of Canada regulate this. Interest is recoverable on all written agreements to pay a specific sum at a specific time, and also on accounts current where in the course of dealing between the parties interest has been paid, or where there is an express oral agreement to pay interest.

Judgments—In actions to which the defendant does not appear, judgment may be entered in ten days after the service of the writ where the cause of action is a liquidated debt or a money claim, and so specially indorsed on the writ of summons. In all other cases, in default of appearance, an order of a judge for judgment must be obtained. A defendant may by his warrant of attorney authorize a judgment to be entered up against him on the issuing of the writ.

Limitation of Actions—Trespass for assault, battery, wounding or imprisonment, actions on the case for words and prosecutions for taking illegal interest, must be brought within one year; actions for trespass to lands, assumpsit, detinue, trover, replevin, debt grounded upon any lending or contract without specialty, for rent account or upon the case within six years. Actions for the recovery of lands, moneys secured by any mortgage, judgment or lien, or otherwise chargeable upon any land or rent or any legacy, and actions upon any deed, covenant or instrument under seal, shall be brought within twenty years. Part payment or acknowledgment in writing will extend the period of limitation.

Married Women—A married woman may carry on business, sue and be sued, in the same manner as if unmarried. To carry on a separate trade she must file the written consent or license of her husband and register a certificate or declaration specifying her intended business and the place where she proposes to carry it on. She may hold property, real and personal, free from the debts or control of her husband and may contract in relation thereto and she has the same remedies against all persons, including her husband, for the protection and security of her property as if she were a *femme sole*. She has right of dower in her husband's real estate, and can dispose of her property by will in the same manner as if she were sole and unmarried, but, if the will is made without the husband's consent, the latter has the right of election between the provision made for him in the will and his rights as tenant by the courtesy.

Registry—Deeds executed in the province must be executed in the presence of a witness, who shall make oath of its execution before a Barrister or J. P., or a Notary Public, or the party making the deed may acknowledge its execution under oath before any of the said functionaries. Deeds may be proved out of the Province as well in Foreign Countries as in the British Dominions by the oath of a subscribing witness, to be administered by a Commissioner appointed to take affidavits out of the province, by a Judge of a Court of Record, by a Mayor of any city, a justice of the peace or a notary public, who shall certify to the attestation. When the certificate is made by a Justice of the Peace it must be authenticated by a Notary Public. When the deed is proved in a Foreign Country any Public Minister, Ambassador or Consul or Vice-consul from the Court of Great Britain may administer such oath.

To bind lands all deeds, judgments and attachments shall be registered in the office of the county or district in which the lands lie, and unregistered deeds or mortgages shall be void against any subsequent purchaser or mortgagee for valuable consideration, who shall first register his deed or mortgage.

Grants from the Crown must also be recorded.

Wills—No person under the age of 21 years can make a will. A married woman without her husband's consent can make a will. No will is valid unless in writing, signed at the foot by the testator or by some person in his presence and by his direction. The execution must be acknowledged in the presence of two or more witnesses, who shall attest and subscribe in the presence of the testator and in presence of each other and at request of testator. Change of domicile will not revoke the will. Marriage will, except where the will is made in exercise of a power of appointment. Property situate within the province disposed of by will or other instrument, intending to take effect after death, of the value of $5,000, after payment of all debts and expenses, is subject to a succession duty, if testator has not certain relatives. This duty is also chargeable upon intestate estates the value whereof exceeds $5,000, in the absence of certain relatives.

Intestacy—The estate of a person dying intestate is invariably administered by the Court of Probate, but the Supreme Court has jurisdiction in an administration action by a creditor to administer the estate in that Court. In the Probate Court administration is granted first to the widow or next of kin, and if they do not voluntarily take or renounce, then it is committed to the principal creditor. The administrator is required to file a bond with sureties, also an inventory of both real and personal estate and can be cited to a final accounting at the end of 18 months. He has no title to the real estate except in cases where the personalty is insufficient to pay the debts. In the latter case on application to the Court a license to sell the real estate or sufficient thereof to pay the debts is granted on the administrator filing a bond for the due application of the moneys. The creditors are required to file their accounts with the administrator, duly attested to. In the distribution of the estate of a deceased insolvent the funeral expenses and the expenses attending the last illness of deceased and the administration are first paid; next, clerks, domestics, farm servants and rent are to be paid in full when not more than a year's rent or wages is due, the excess to be on same footing as other claims; lastly, all other creditors filing attested claims to be paid in proportion.

Synopsis of the Laws of Ontario.

Compiled by Macdonell & Boland, of the Toronto Bar.

(Revised to 1st January, 1906.

Arrest for Debt, Absconding Debtors—When a creditor has a claim, or a party has a cause of action of $100 or over, and can show to the satisfaction of the Judge that he has such claim and that there is reasonable and probable cause for believing that the debtor, or party against whom such cause of action exists, is about to leave the Province with intent to defraud his creditors, an order for arrest may be granted.

Assignments—Must be made to the Sheriff of the County where the debtor resides or carries on business, unless the majority (in number and value) of the creditors having claims of $100 or over consent to the appointment of some other person, who must be a permanent resident within Ontario. The assignment must be filed within five days after execution, and notice inserted in the *Ontario Gazette* in the issue next after five days after execution, and not less than twice in one newspaper, at the least; for default there is a penalty of $25 per day. The assignor may be examined on a resolution of the creditors or inspectors, without the procuring of a judgment. An assignee may be removed and a substitute appointed or an additional assignee appointed by a Judge of the High Court or a Judge of the County Court of the county where the assignment is registered, and the property vests in such newly appointed assignee without conveyance, but he shall register an affidavit of his appointment. All questions arising at meetings of creditors are to be decided by the majority of votes given by the Act according to the amounts of the claims.

Bankruptcy—There is no bankruptcy act in force in this Province, but a debtor may make an assignment for the benefit of creditors and ensure a ratable distribution of his assets.

Bills of Exchange and Promissory Notes—These are subject to the commercial law in respect to days of grace, presentation for payment, notice and protest. Notes only bear interest from the date of maturity, and then at the legal rate, five per cent., unless the rate and time are expressly mentioned on the face. Loss of a bill or note does not prevent collection, but payee must be indemnified. The rules of the common law of England, including the law merchant, apply to bills of exchange, promissory notes and cheques. There are no days of grace allowed on bills or notes payable on demand, but they are allowed where the bill is payable at or after sight.

Bills of Sale and Chattel Mortgages—These must be registered within five days in the office of the County Court Clerk, otherwise they are void as against creditors, except where there is an immediate delivery and an actual and continued change of possession of the property. There are special regulations regarding chattel mortgages and bills of sale in the territorial and provisional districts, both as to place of filing and time of filing. Affidavits of execution must show the date of the execution of the mortgage, and where the affidavit of *bona fides* is made by an agent, or by an officer of an incorporated company, it must state that such agent or officer is acquainted with all the circumstances connected with the transaction, and the authority of the agent or a copy thereof must be filed with the instrument. Chattel mortgages must be renewed yearly. When mortgaged goods are removed to another county the mortgage becomes void as against creditors unless a duplicate or verified copy thereof is filed in such county within two months from such removal.

Conditional Sales of Chattels—When there is a sale of manufactured goods and possession is given, but the intention is that the ownership thereto shall not pass, a subsequent purchaser or mortgagee without notice in good faith for valuable consideration is put on enquiry as to whether they have been fully paid for, if the name and address of the manufacturer or vendor is painted, printed, or otherwise plainly attached thereto, and upon such enquiry the vendor shall give a statement of the amount owing upon the chattel; but such sale is only valid as against such subsequent purchaser or mortgagee when evidenced in writing, signed by the original bailee or his agent and a copy of the receipt note left with the vendee. The above provision does not apply to household furniture, nor to cases where the bailor or vendor within ten days from the execution of any receipt note, time receipt, order or other instrument evidencing the bailment or conditional sale, files the same or a copy thereof with the Clerk of the County Court, but pianos, organs or other musical instruments are not included in the term household furniture. Chattels affixed to realty are subject to lien, but owner or mortgagee have right to retain chattels upon payment of amount due.

Contracts—Contracts for sale of goods over $40 require part performance or to be in writing, otherwise they are unenforcible. Contracts made on Sunday (with few exceptions), and contracts contrary to public policy or of an immoral character, are illegal.

Courts, Jurisdiction of—The Courts of the Province are the Supreme Court of Judicature (comprising "The High Court of Justice, The Divisional Court and The Court of Appeal"), the

County and District Courts and the Division Courts. In money claims on contracts the jurisdiction of the Division Courts extends to $200 in liquidated claims (i.e. those settled by the signature of the parties) and $100 in unliquidated claims.—Subject to certain exceptions, that of the County Courts to $600 and $200 respectively except in cases of liquidated claims where the parties may agree in writing before the issue of the writ. The District Courts have a still more extended jurisdiction.—Apart from this the High Court of Justice has original jurisdiction in both civil and criminal matters. The Divisional Court and the Court of Appeal have appellate jurisdiction only.

Commissions—When a witness resides out of the Province an order may be made to take his evidence on commission.

Execution—In the County Court and High Court execution may issue immediately upon entry of judgment, unless stayed by order of the Court or Judge. Executions must be renewed before the expiration of three years from the date of the issuing thereof. In the Division Court, where the judgment is recovered for $40 or upwards exclusive of costs, a writ of execution may issue directed to the sheriff, and will bind the lands of the debtor in the same manner as executions issued from the higher courts. All executions issued in the County and High Courts are directed against both goods and lands. Lands cannot be sold for one year from the time the writ is delivered to the Sheriff, but debtors' lands are bound from date of delivery to the Sheriff. Under the present Act practically all forms of real and personal property may be taken in execution, and where from the nature of the property this is impossible, a Receiver may be appointed by way of equitable execution.

Exemptions—The exemptions from seizure under execution and distress are enumerated in the Revised Statutes, chap. 77, and consist generally of :—

(1) Bed, bedding and bedsteads in ordinary use.

(2) Necessary and ordinary wearing apparel.

(3) One cooking stove with pipes, one heating stove with pipes, sewing machine, 30 vols. books, all spinning wheels and weaving looms, and a large number of articles of furniture, cooking utensils, etc., in all not to exceed the value of $150.

(4) All necessary fuel, meat, fish, flour and vegetables, not more than sufficient for ordinary consumption of debtor and family for 30 days, and not exceeding in value the sum of $40.

(5) One cow, 6 sheep, 4 hogs and 12 hens, in all not to exceed the value of $75; also food for them for 30 days.

(6) Tools and implements of, or chattels ordinarily used in the debtor's occupation, to the value of $100; but a specific article claimed as exempt, and valued at over $100, may be sold by the sheriff, if there are not other goods sufficient to satisfy the execution, and the amount bid for the article exceed $100 and the cost of sale in addition.

(7) Bees reared and kept in hives to the extent of fifteen hives.

On the death of the debtor these goods go to the widow and family, and the debtor, his widow or family, may select out of any larger number the chattels exempt from seizure. The identical article for which the debt was contracted is in no case exempt.

Examination of Judgment Debtor—A judgment debtor may, without an order, be examined as to his property at the time debt is incurred and his disposal of the same, and in the higher courts the transferee may also be examined under order: any person in possession of property of the execution debtor may also be examined under order. On examination in the Division Court the Judge may order the debtor to pay the debt in such way as he deems proper, and in default may issue an order for committal.

Fraudulent Conveyances — Conveyances in fraud of creditors are void, unless made for good consideration and without the collusion of the transferee. Preferences by insolvents are void. Conveyances by debtors attacked within sixty days or made within sixty days before an assignment for the benefit of creditors are presumed *prima facie* to be made with intent to defraud or prefer.

Garnishment—Debts due the debtor may be attached in the Division Court at the time of the issue of the summons, but in the County Court and High Court only after judgment. Debts due for wages or salary cannot be attached except as to any excess over the sum of $25, and then only to the extent of the excess. Where, however, the debt has been contracted for board or lodging, and in the opinion of the Judge the exemption of $25 is not necessary for the support and maintenance of the debtor's family, or where the debtor is an unmarried person having no family depending on him for support, the exemption does not apply.

Interest—The legal rate is five per cent., and where no agreement and interest is payable, that is the rate. Interest is allowed on any sum payable by virtue of a written agreement from the time in writing the sum becomes payable, and on accounts from the time notice is given demanding interest.

Judgments—Where defendant does not defend, judgment may be entered in the higher courts ten days after service of the writ in the action. The practice provides in many cases for the procuring of speedy judgment after appearance where a proper case is made out. In the Division Courts in default of appearance, judgment may be entered in ten, fifteen or twenty days after service, according to the residence of the defendant.

Limitation of Actions—Actions of account must be brought within six years after cause of action arises—on contracts under seal, twenty years after cause of action arises. Actions on the covenant on a mortgage made after 1st July, 1894, must be brought within ten years. Part payment, or acknowledgement in writing, will extend the time of action, Promissory notes and accounts are prescribed or outlawed in six years from the time they become due, or from last payment, or acknowledgement in writing.

Married Women—Every contract hereafter entered into by a married woman otherwise than as an agent since the 13th day of April, 1897:

(*a*) Shall be deemed to be a contract entered into by her with respect to and to bind her separate property, whether she is or is not in fact possessed of or entitled to any separate property at the time

when she enters into such contract, and it shall not be necessary in any proceeding to prove as a fact any separate property at the time when such contract was entered into or subsequently.

(*b*) Shall bind all separate property which she may at the time or thereafter possess or be entitled to; and shall also be enforceable by process of law against all property which she may thereafter while discovert possess or be entitled to.

The will of a married woman speaks from death.

A married woman may acquire, hold and dispose of Realty in the same manner as *femme sole*.

Registry of Deeds—Instruments for registry must contain a sufficient description of the property mentioned, and the execution be verified by affidavit in proper form of a subscribing witness present at the time of signature, or to whom signature is acknowledged. Deeds executed outside of the Province require that the affidavit of execution by the subscribing witness should be sworn before, if executed in Quebec:

(1) A Judge or Prothonotary of the Supreme Court or Clerk of the Circuit Court.

Or before a Commissioner authorized under the laws of Ontario to take in Quebec affidavits in and for any of the Courts of Record in the Province of Ontario.

Or before any Notary Public in Quebec, certified under his official seal.

(2) If made in Great Britain or Ireland, before a Judge of the Supreme Court of Judicature in England or Ireland, or of the Court of Sessions, or the Justiciary Court in Scotland.

Or before a Judge of any of the County Courts within his county.

Or before the Mayor or Chief Magistrate of any city, borough or town corporate therein, and certified under the common seal of the city, borough or town corporate.

Or before a Commissioner authorized to administer oaths in the Supreme Court of Judicature in England.

Or before a Commissioner authorized by the laws of Ontario to take, in Great Britain or Ireland, affidavits in and for any of the Courts of Record of the Province of Ontario.

Or before a Notary Public certified under his official seal.

(3) If made in any British colony or possession, before a Judge of a Court of Record or of any Court of Supreme Judicature in the colony.

Or before the Mayor of any city, borough or town corporate, and certified under the common seal of the city, borough or town, or before a Notary Public, certified under his official seal.

Or if made in the British possessions in India, before any magistrate or collector certified to have been such under the hand of the Governor of such possession.

(4) If made in Ontario, before the Registrar or Deputy Registrar of the county in which the land lies.

Or before a Judge of the Supreme Court of Judicature.

Or before the Judge of a County Court within his county.

Or before a Commissioner authorized by the High Court to take affidavits. Registration gives priority.

Wills—Must be in writing, signed at the foot by the testator in the presence of two witnesses, both present with him at the same time and who in his presence and at his request, and in the presence of each other, sign their names as witnesses. A legacy or devise to a witness, or to the husband or wife of a witness, is void. An executor may be a proper witness. All wills are revoked by marriage. Except:

(*a*) When it is declared in will that same is made in contemplation of marriage.

(*b*) When the wife or husband of the testator elects to take under the will by an instrument in writing signed by the wife or husband, and filed within one year after the testator's death in the office of the Surrogate Clerk, Toronto.

(*c*) When the will is made in the exercise of power of appointment, and the real or personal estate thereby appointed would not, in default of such appointment, pass to the testator's heir, executor or administrator, or the person entitled as the testator's next of kin, under the Statute of Distributions.

A minor cannot make a valid will. There is now a succession duty payable on property passing on the death of the owner, made up on a scale provided for in the Act, according to the amount of the estate and the relations inheriting. In the administration of the estate of a deceased person, any person in the employment of the deceased at death, or one month prior thereto, shall have priority to the extent of three months' wages or salary over ordinary or general creditors.

Synopsis of the Laws of Prince Edward Island

Compiled by Haszard & Gaudet, Barristers, Charlottetown, of the Prince Edward Island Bar.

(Revised to 1st January, 1906.)

Absent Debtors—The property of an absent debtor may be attached on an affidavit of debt setting out the facts. A summons may be served on the agent or person in possession of property of defendant which binds the property in his hands. In order to bind lands of defendant a minute must be filed with the Prothonotary of the Supreme Court when writ of attachment is issued, setting out title of cause, amount of debt and name of person who is intended to be affected thereby. The sheriff is also empowered to collect all debts due to defendant to abide the event of the suit. The defendant may obtain a rehearing any time within three years; and plaintiff, before he has execution, must give security to repay the judgment and costs in case it should be reversed on rehearing. Absent-debtor suits cannot be brought on for trial until four months after issue of writ; and must be tried within twelve months of its issue.

Goods must be appraised before sale. Perishable property may be ordered to be sold at once.

Absent Defendant—May be served with a special summons, giving him time to appear in proportion to his distance from the Province. If personal service cannot be effected the Court will make order for substituted service by publication, posting or other means. (See also Absent Debtors.)

Arrest—In causes of action in the Supreme Court for $32 or more, whether for debt or damages, but before final judgment, where the creditor can prove to the satisfaction of a judge such cause of action, and that the defendant is about to leave the Province with the intention of defrauding his creditors, an order for arrest can be obtained.

After final judgment the debtor can be arrested if it can be shown to the satisfaction of a judge that he has fraudulently made away with his property.

In the County Courts the procedure is similar, but the jurisdiction is limited to amounts up to $150.

Bankruptcy—If any person being in insolvent circumstances or unable to pay his debts in full, or knowing himself to be on the eve of insolvency, gives a confession of judgment with intent in giving such confession to defeat or delay his creditors wholly or in part, or to give one or more creditors a preference, such confession shall be null and void as against his other creditors. If such transaction, with or for a creditor has the effect of giving that creditor a preference over the other creditors it shall in and with respect to any action or proceeding which within 60 days thereafter shall be brought to impeach or set aside such transaction, be presumed to have been made with the intent aforesaid.

Barristers—A barrister of any court in Great Britain or Ireland, or an attorney, solicitor or barrister of any British Province or Colony, and who shall have resided in this Province 12 months previous to making application for admission, shall be entitled to be admitted to practice as an attorney and barrister of the Supreme Court of this province, on his producing a satisfactory certificate bearing date within six months previous to the commencement of his residence in this island from a judge of the court to which he belongs, of his being at the bar or on the rolls of such court, and of his being in actual practice at the time when such certificate was granted, and that he has conducted himself with credit and reputation since he was called to the bar, and that he is a person of good moral character, and, if required by the Judges of the Supreme Court of this island, shall submit himself to and pass a satisfactory examination touching his fitness and capacity. See also P. E. Island Stat., Vol. I., c. 22, s. 2.

Bills of Sale and Chattel Mortgages—It is necessary that the original shall be filed in the office of the Prothonotary of the Supreme Court in the county where the goods are, and shall be accompanied by an affidavit of the grantee or his agent setting forth the *bona fides* of the transaction and that the debt is justly and truly owing, otherwise it shall be void as against assignee for creditors purchasers, and execution creditors who have executions in the sheriff's hands.

Commercial Travellers—Must pay an annual license fee of $20. They are liable to a penalty of $200 for doing business without license. In actions by foreigners to recover price of goods sold by travelling agents, their license must be proved in evidence or they cannot recover. License fee may be paid any time before action brought.

Conditional Sales—See Bills of Sale and Chattel Mortgages.

Corporations—Incorporation is effected either by private statute or by letters patent under the provisions of the Joint Stock Companies' Act. The fees payable for incorporation are fixed by the Lieutenant-Governor-in-Council. No corporation can issue notes or bills, or engage in banking, money lending or insurance, unless specially authorized by its charter. Foreign corporations are allowed to carry on business without any special restrictions. (But see Guarantee Companies.) Their real and personal property and income is subject to provincial and municipal taxation the same as that of local institutions. They are capable of suing and being sued in all Courts, and process may be served upon their recognized agent in the Province. Fire insurance companies pay a specific annual tax of $150 to Province and $50, if doing business in Charlottetown, to the city; life insurance companies, $225 and $50; accident and guarantee companies, $50; trust, loan, or building associations, $225; telegraph companies, $375; banks, $200; gas and electrical companies, $100; steamship companies (local), $100; express companies, $150; brewing and distilling companies, $500, upon all other companies, $100.

Costs, Security for—Need not be given in cases when plaintiff is non-resident. In County Courts no solicitor's costs are allowed to be taxed, and plaintiff pays his own costs, whether he wins or loses. In Supreme Court solicitor's costs are allowed, and, generally, the successful party recovers his costs. In cases where action is on a note or bill of exchange the Judge may require an affidavit of merits before making an order for security for costs.

Courts and Jurisdiction of—The Supreme Court has jurisdiction in all actions for damages and in debt for $32 and upwards.

The County Courts have jurisdiction in all actions for debt where the amount does not exceed $150, and in all actions for damages not exceeding the same amount, except where the question of title to land is in dispute, when they have no jurisdiction.

The Court of Probate is established in Charlottetown for the whole province and has jurisdiction over the estates of deceased persons and to grant letters testamentary or letters of administration.

Municipal Courts are established in Charlottetown and Summerside. These are presided over by stipendiary magistrates exercising criminal and civil jurisdiction. There is also a stipendiary magistrate for each county in the Island, who has similar jurisdiction outside of the towns.

Justices of the Peace in their respective counties have similar jurisdiction.

Execution—May issue on the entry of a judgment in the Supreme Court (except where entered on a warrant of attorney and the defeasance thereof gives time for payment), and County Courts unless pending an appeal.

When delivered into the hands of the sheriff it binds the goods of the judgment debtor against all persons except a *bona fide* purchaser.

The lands of a judgment debtor are bound by the entry of the judgment, providing a minute has been filed with the judgment, and may be sold at any time after six months from the issue of statute execution.

A minute must be filed every ten years in order to keep the lands bound as against subsequent purchasers or incumbrancers.

Foreign Judgments—Are not conclusive proof of debt, but correctness of same may be disputed, and defendant may inquire into, contest and dispute all or any of the facts upon which said judgment is founded, or where the cause of action in the suit in which such judgment was given.

Imprisonment for Debt—under execution has been abolished. A creditor who has a judgment can, however, examine his debtor as to his means and ability to pay the debt before a Judge, and the debtor may be ordered to pay the debt by instalments.

The following property is exempt from execution: The necessary wearing apparel and bedding of the debtor and his family and the tools or instruments of his trade or calling, five pounds in money and one cow.

Garnishment—Debts due a primary or judgment debtor may be attached or garnisheed.

Interest—The laws of Canada regulate this. Interest is recoverable on accounts current when in the course of dealing between the parties interest has been paid, or where there is an express agreement to pay interest. It is also recoverable on promissory notes from their due dates, and of course on all agreements in writing to pay interest.

Judgments—In actions to which defendant does not appear, judgment may be entered in eight days after service of writ when the cause of action is a liquidated debt or money claim and where the writ has been specially endorsed. In cases where the writ has not been specially endorsed (if for debt) judgment cannot be entered till plaintiff has filed particulars and declaration, with notice to plead in eight days, when judgment shallbe final.

Where action is for damages and defendant does not appear damages must be assessed.

Limitation of Actions—Actions of trespass, detinue, trover, replevin and debt, within six years. Actions of trespass, assault, battery, wounding and imprisonment, within one year.

Actions for the recovery of lands, moneys secured by mortgage, judgment or lien, or otherwise chargeable upon any land, and actions upon any deed, covenant or instrument under seal shall be brought within 20 years. Part payment or acknowledgment in writing will extend the period of limitation.

Married Women—A married woman is entitled to have and to hold as her separate property all real and personal property which she shall acquire. She may sue or be sued in her own name in regard to her separate property. To carry on a separate trade she must get a protection order. She has the right of dower in her husband's lands.

Registry—Deeds executed in the Province must be executed in presence of a witness, who shall make oath of its execution before the Registrar of Deeds, or before a Commissioner for taking acknowledgment to deeds, or the party executing the deed may acknowledge its execution before either of the said functionaries.

Deeds may be proved out of the Province as well in Foreign Countries as in the British Dominions by the oath of a subscribing witness to be administered by a commissioner appointed to take acknowledgment to deeds out of the Province by a Judge of a Court of Record, by a Mayor of any city, or by a Notary Public, or the grantee may acknowledge the execution before any of them.

To bind lands all deeds must be registered in the registry office for the county in which the lands are situated. (There is no registry office in Kings County, and deeds of lands in that County must be registered in Queens County). And unregistered deeds or mortgages are void against any purchaser or mortgagee for valuable consideration who shall first register his deed or mortgage.

Wills—No person under the age of 21 years can make a will. A married woman as regards her separate property can make a will without her husband's consent. Otherwise his consent must be obtained. No will is valid unless in writing, signed at the foot by the testator. He must sign in the presence of two witnesses who must both be present at the same time and both see the testator and each other sign. Change of domicile will not affect the will. Marriage will, except where the will is made in exercise of a power of appointment.

Property situated within the Province disposed of by will, if it amounts in value to $3,000, after payment of all debts and expenses, is subject to a succession duty if testator has not certain relatives.

This duty is also chargeable upon intestate estates, the value whereof exceeds $3,000, in the absence of certain relatives.

Intestacy—The estate of a person dying intestate is administered by the Court of Probate, but the Court of Chancery has jurisdiction in an administration by a creditor to administer the estate in that Court. In the Probate Court administration is granted first to the widow or next of kin, and, if they do not voluntarily take or renounce, then it is committed to the principal creditor. The administrator is required to file a bond with sureties, also an inventory of both real and personal estates, and can be cited to a final accounting at the end of 12 months. He has no title to the real estate except in cases where the personalty is insufficient to pay the debts. In the latter case on application to the Court a license to sell the real estate, or sufficient thereof to pay the debts, is granted. The creditors are required to file their accounts with the administrator duly attested to.

Synopsis of the Laws of Quebec

Compiled by Blair & Laverty, Advocates of the Quebec Bar, Montreal.

(Revised to 1st January, 1906.)

Arrest for Debt—The debtor is liable to arrest by capias ad respondendum when the creditor's claim amounts to $50 or upwards, upon production of an affidavit of the plaintiff, or his agent, setting forth one or more of the following facts:—

1. That the debtor is about, immediately, to leave the Provinces of Quebec and Ontario, with intent to defraud his creditors in general, or the plaintiff in particular.

2. That he has secreted, or made away with his property and effects, or is immediately about to do so with like intent.

3. That he is a trader, has failed to meet his payments, and has refused to make judicial abandonment of his property for the benefit of his creditors.

Capias will not issue if the debt be contracted, or is made payable, without the limits of the Province of Quebec or Ontario, nor does it lie against clergymen, septuagenarians or females.

Assignments—In the absence of an insolvent law our Code of Procedure enacts that a creditor holding an unsecured claim of $200 and upwards may make a demand upon his insolvent debtor to file a judicial abandonment of his property for the benefit of his creditors, and in default of the debtor filing within two days a written consent to abandon and making the abandonment within four days, he may be arrested, and the Court may appoint a provisional gaardian to take possession of his estate. If the insolvent debtor has absconded the Court may make a like order. Subsequently, upon the advice of the creditors, a curator is appointed by the Court, who takes charge of the debtor's estate, subject to the supervision of the creditors and the order of the Court. The curator realizes the estate and distributes the proceeds, the costs and privileged claims ranking first, and afterwards the ordinary claims *pro rata*. The debtor is not discharged by this abandonment from his debts; the law merely provides for the equitable distribution of the estate and the suspension of proceedings by individual creditors carrying costs against the estate. Judgment can be entered against an insolvent debtor notwithstanding the abandonment if the claim be not prescribed, but the costs do not rank against the estate. If the creditor making the demand of abandonment be a non-resident he must give a special power of attorney to a resident to act on his behalf, and must at the same time file his sworn claim, supported by vouchers.

The order of privileged claims on movable property is as follows: (1) Law costs and all expenses incurred in the interest of the mass of the creditors. (2) Tithes. (3) The claims of the vendor. (4) The claims of creditors who have a right of pledge or

retention. (5) Funeral expenses. (6) The expenses of last illness. (7) Municipal taxes. (8) Landlord's claim. (9) Servants' wages, and sums due for supplies of provisions. (10) Claims of the Crown against persons accountable for its moneys. The privileges specified under numbers 5, 6, 7, 9 and 10, extend to all the movable property of the debtor. The others are special and effect only some particular objects. The unpaid vendor of a thing has two privileges: (*a*) A right to revendicate. (*b*) The right of preference upon the price. In the case of an insolvent debtor these rights must be exercised within thirty days after delivery. The right to revendicate is subject to four conditions: (1) The sale must have been for cash. (2) The thing must still be unused, and in the same condition. (3) It must not have passed into the hands of a third party who has paid for it. (4) The right must be exercised within eight days after delivery, saving above provision concerning insolvent traders.

Attachments—The property of a debtor can be attached before judgment as well in his own hands as in the possession of third parties when the amount claimed exceeds $5, upon the production of an affidavit setting forth any of the charges which are referred to under the head of "Arrest for Debt," with this difference, that there are no restrictions as to the place where the claim was created or made payable, and intent to leave the Province of Quebec alone is a sufficient ground. Attachment for rent requires no affidavit. Attachment after judgment in the hands of third parties is effected by the service upon them of a writ ordering them to retain whatever effects or moneys they may hold belonging to the debtor, or which they may hereafter owe him, and requiring them to appear and specify the same, and upon their delivering over such effects or moneys, as ordered by the Court, they obtain a judicial discharge The debtor may at any time before execution deposit with the Clerk of the Court the seizable proportion of his salary with a sworn statement of amount of such salary, and name, occupation and place of business of employer, and thus escape seizure. Other creditors may file their claims, whereupon they are entitled to share in the distribution of the monies so deposited. A conservatory attachment may be had where there is no other remedy equally convenient, beneficial and effectual, upon the production of an affidavit shewing cause.

Barristers—The admission of barristers from other Provinces to practise their profession in the Province of Quebec is governed by Article 3559 of the Revised Statutes of Quebec, which is as follows:

"Any person admitted to practise the profession of barrister in any of the Provinces of Canada under the laws of such Province may, on providing sufficient proof of the fact and certificates of good conduct, and on passing an examination upon the laws of the Province of Quebec to the satisfaction of the examiners, obtain from the Batonier of the Province a diploma which authorizes him to practise the profession before all Courts of this Province. But such person shall previously give notice to the secretary of the section in which he resides, or, in the event of his not residing in the Province, to the Secretary of the section which he selects, and pay the sum of $200, or such other greater sum as may be exacted in the Province of such barrister for the admission of an advocate of the Province of Quebec to the Bar of such Province. The treasurer of the section shall forward $100 out of this amount to the secretary-treasurer of the General Council. The power granted by this Article shall extend only to the barristers of those Provinces in which the same

privilege is granted to advocates of the Province of Quebec. Any person, being a member of the Bar of any of the Provinces of Canada in which the same privileges are granted to the advocates of the Province of Quebec, shall have the right to appear and act as an advocate before the Courts of this Province having criminal and correctional jurisdiction.

Bills of Exchange and Promissory Notes—Our law on these matters is governed by the Bills of Exchange Act of Canada which applies to all the provinces.

Bills of Sale and Chattel Mortgages—There is no chattel mortgage in this province.

Costs—Including the fees of attorneys as fixed by tariff, are taxed against the losing party. These costs are taxed to the attorney of the successful party and not to the party himself. A non-resident plaintiff can be required to furnish security for the costs which may be incurred by the defendant, and to produce a power of attorney authorizing his legal attorney or other resident to prosecute the action.

Commissions—In the case of witnesses residing out of the province, commissions may issue to take the evidence of such witnesses upon interrogatories and cross-interrogatories which have been allowed by the Court Attached to the commission are instructions for its execution. An open commission can only issue by consent of the parties.

Courts, Jurisdiction of—The Province is divided into judicial districts, and a debtor must be summoned before the Court of the District where (1) he has domicile, (2) he is personally served, (3) the right of action accrued or (4) before the Court of the place where the whole or part of his property is situated, when he has left his domicile in the Province or has never had such domicile and the cause of action has not arisen therein, (5) before the Court of the place where the contract was made.

The following are the principal Civil Courts of the province: (1) *The Circuit Court*, which has jurisdiction in most cities to the extent of $100 and elsewhere to the extent of $200. There is no appeal from the judgment of this Court when the amount claimed is under $100. (2) *The Superior Court*, which has original jurisdiction in all civil matters of whatsoever nature and in suits involving an amount over the Circuit Court jurisdiction. The Appellate Courts are : (1) *The Superior Court sitting in Review*, which is presided over by three judges of the Superior Court, and which sits only in the cities of Montreal and Quebec. (2) *The Court of King's Bench (appeal side)*, which is presided over by five judges, and which also has its sittings only in the cities of Montreal and Quebec at specified times. When the amount involved is under $2,000, the judgment of this Court is final ; when the amount exceeds this sum or the suit has reference to fees, etc., of the Crown, or future rights, an appeal lies to the *Supreme Court of Canada* sitting at Ottawa. If the amount involved exceeds £500 sterling, an appeal also lies to the *Privy Council* in England, whose decision is final. An appeal also lies in certain cases direct from the Superior Court sitting in review to either the Supreme Court or the Privy Council.

Execution—In commercial matters and cases of a summary nature, execution can issue eight days after judgment against the debtor's property and effects. In other cases execution can only issue at the expiration of 15 days from date of judgment. It may issue before the above delays upon the filing of a special affidavit showing sufficient cause. (See "Attachments Against Property.")

Exemptions—The debtor may select and withdraw from seizure: (1) The bedding, etc., in use by himself and his family, (2) ordinary wearing apparel, (3) two stoves, their pipes and other accessories, (4) other household effects to the value of $50; one sewing machine; 50 volumes books; family portraits; (5) fuel and food for three months, (6) one span horses and plow or one yoke oxen, (7) one winter and one summer vehicle with harness, used by carter or driver for earning his living, (8) one cow, two pigs, four sheep and agricultural tools generally, (9) tools and implements or other chattels ordinarily used by debtor in his profession, art or trade to the value of $200, (10) books relating to his profession, art or trade to the value of $200, (11) bees to the extent of fifteen hives. Most of the above mentioned articles, however, may be seized and sold when the suit is to recover the price of their purchase or when they have been given in pawn. The following are exempt from seizure: (1) Sacred vessels and things used for religious worship, (2) immovables declared by donor or testator or by law to be exempt from seizure, and sums of money or objects given or bequeathed on condition of unseizability, (3) alimentary allowances granted by the Court and sums of money or pensions given as alimony, except for debt of an alimentary nature, (4) pay and pensions of persons belonging to the Army or Navy; fees due to ministers of worship for services, etc., salaries of school teachers, salaries of City or Town Clerks, salaries of Public Officers, with the exception of those in the service of the Province which are seizable for (a) one-fifth when salary does not exceed $1,000 per annum, (b) one-quarter from $1,000 to $2,000 per annum, (c) one-third for all salaries exceeding $2,000; (5) all other salaries and wages at whatever time and in whatever manner payable for: (a) four-fifths when they do not exceed $3 per day, (b) three-quarters when from $3 to $6 per day, (c) two-thirds when they exceed $6 per day; (6) books of account, titles of debt and other papers, but debentures, promissory notes, shares, bank notes, etc., may be seized.

Examination of Judgment Debtor—If execution is returned unsatisfied the creditor may summon the debtor for examination as to his assets, and have an order issue to force him to produce all books, documents, etc.

Fraudulent Conveyances—Creditors may in their own name impeach fraudulent conveyances made by their debtors. A gratuitous conveyance is deemed fraudulent, if the debtor be insolvent at the time of making it. An onerous contract made by a debtor with a person who knows him to be insolvent is deemed to be fraudulent. A payment made to a creditor knowing the insolvency is deemed to be fraudulent, and the creditor may be compelled to restore the amount or thing received, or the value thereof, for the benefit of the creditors generally. Suit to set aside a fraudulent conveyance must be brought within one year from the time of the creditor obtaining a knowledge thereof.

Interest—The legal rate of interest in this province is 5 per cent., but any rate may be agreed upon between the parties. There are special laws restricting the rate of interest with regard to certain corporations. Interest is not allowed on open accounts unless specially agreed to.

Judgments in commercial cases, when the debtor makes default, can be secured in from eight to ten days after service. If not appealed from within six months, judgments are final. Judgments are prescribed

by thirty years, but as in other cases, prescription can be interrupted by certain proceedings. When registered against an immovable property judgments become an hypothecary claim, with rank from the date of such registration. Judgments rendered by the Courts of any other province of the Dominion in a suit in which the defendant was personally served in that province, or which he has appeared, are binding in this province, but a new action must be taken, based upon such judgment, before the same can be rendered executory here. Judgments rendered out of the Dominion of Canada are of no avail in this province.

Limitation of Actions—Actions for slander, for libel, for wages where an employee is under engagement for less than a year, for hotel and boarding house charges, and for bodily injuries, are prescribed by one year. Actions for seduction, for damages resulting from certain offences, for wages of workmen hired for a year or more and for teachers' claims, are prescribed by two years. Actions on open accounts, promissory notes, professional fees, and commercial matters generally, are prescribed by five years. Actions for rescission of contracts, restitution to minors, by lesion, for rectification of tutors' accounts, and upon architects' and contractors' warranty, are prescribed by ten years. Actions for all other matters are prescribed by thirty years. In certain cases short prescriptions of three and six months are specially fixed. These apply generally to actions for damage against municipalities, railway companies and certain public corporations.

Married Women—Are either in community of property with their husbands, or they are separate as to property. Separation of property must be agreed on by ante-nuptial contract, or may be ordered by judgment of the Court upon cause shown, such as insolvency or misconduct of the husband. In the absence of separation of property the wife can hold no movable property in her own name, except what may be willed or bequeathed to her by a third party to be her own private property. The husband during his lifetime has the sole administration of the common property, but at his death, or the dissolution of the community when ordered, the wife takes one-half of the common property. The husband can only will his own half. Immovable property which may belong to the wife before marriage, or coming to her from her parents or other ancestors, does not fall into the community, but belongs to her; the rents of such immovable property only fall into the community; the wife when separate as to property has the administration thereof, but for its sale or realization she requires the authorization of her husband, or, in the event of his refusal, of a judge. A married woman may be a trader, but she must register her intention of carrying on such trade, and unless she separate as to property her effects in trade would be responsible for her husband's debts. A wife cannot bind herself or become security for her husband.

A wife cannot appear in judicial proceedings without her husband, or his authorization, even if she be a public trader, or not common as to property; nor can she when separate as to property, except in matters of simple administration. If a husband refuses to authorize his wife, the Court may give the necessary authorization.

Sons-in-law and daughters-in-law are bound to maintain their father-in-law and mother-in-law who may be in want, but this obligation ceases

1. When the mother-in-law contracts a second marriage;
2. When the consort through whom the affinity existed and all the children, issue of the marriage, are dead.

The obligations which result from these provisions are reciprocal.

Partnership—Commercial partnerships must be registered by declaration filed in the office of the Prothonotary of the Superior Court for the District, and registered in the registry office for the registration division, in which the business of the partnership is carried on. The omission to file and register such declaration does not render the partnership null, but subjects the parties to a penalty or fine of $200.

Joint stock companies are similarly bound, but are liable in case of omission to file and register such declaration as aforesaid to a penalty of $400. The manager of such company being liable to a further penalty of $200.

Every married person doing business as trader, whether alone or in partnership with others, shall be bound under the above mentioned penalty ($200), to register, in the office of the Prothonotary of the Superior Court of the District wherein such business is carried on, within sixty days from the day on which trading commenced, or within sixty days from the date of his marriage, a declaration in writing, stating if he is under community, or is separate as to property; with particulars as to the date, etc., of the contract, if any.

Registry for Deeds and Wills—All deeds or wills affecting immovable property must be registered in order to preserve the rights conveyed thereby, in the office of registration division within which the property is situated. Deeds of donation, marriage contracts and similar documents must be registered in the office of the registration division within which the donor or husband resides.

Wills—Persons of the full age of majority (21 years), and of sound intellect, only can make wills, in one of the following forms: 1. Notarial—Before two notaries, or one notary and two witnesses. This will remains in the custody of the notary, who grants copies which are authentic. 2. Holograph—Wholly written and signed by the testator, no witnesses being necessary. 3. English Form—Which requires to be signed in the presence of two witnesses. The two latter wills must be filed in Court and probate thereof secured.

Intestacy—In the absence of a will, the estate of a deceased person devolves as follows:—(1) To his legitimate children without distinction of sex. (2) If he leaves no issue, one-half devolves to his parents or survivor of them, and the other half to his brothers and sisters or their descendants. (3) In default of 1 and 2, to ascendants equally, between nearest of paternal and maternal lines. (4) In default of 1, 2 and 3, to collaterals. Relations beyond the twelfth degree do not inherit. If deceased leave no relations within the heritable degree, the succession devolves to the surviving consort, and in default of latter to the Crown. If within three months none of the heirs accept the succession, it is deemed to be vacant, and the creditors can then have a curator appointed, who has the administration of the estate. If the succession appears to be more onerous than profitable, the heirs may accept the same under benefit of inventory. This has the effect of limiting their liability for the debts of the succession to the amount received therefrom, otherwise they would be responsible for all the debts, irrespective of the value of the estate. If there be property without the limits of the province belonging to the estate, the heirs can obtain from the Court letters of verification

Synopsis of the Canadian Patent Law.

Compiled by J. E. Cameron, of Smith & Cameron, Registered Attorney, No. 4958, Patent Office, Washington, D.C.

An Act respecting Patents of Invention, amended up to chap. 25, 60-61 Victoria, 1897.

This Act may be cited as "The Patent Act," 35 Victoria, chap. 26, sec. 53.

There shall be attached to the Department of Agriculture, "At Ottawa," a branch thereof, an office called the Patent Office; and the Minister of Agriculture for the time being shall be the Commissioner of Patents, 35 V., c. 26, s. 1, part.

The Commissioner shall receive all applications, fees, papers, documents and models for patents, and perform and do all the acts requisite for the granting and issuing of patents of invention.

"**A Patent** is a contract between the Government and the Patentee, granting to the latter the exclusive property in an invention for a certain period."

An Invention is any invented new and useful art, machine, manufacture or composition of matter, or any improvement thereon.

Who may Obtain Patents—Any person who has an invention that was not known or used by any other person before his invention thereof, and which has not been in public use or on sale, with the consent or allowance of the inventor, for more than one year before making an application for a patent therefor in Canada.

What is not Patentable—Any invention with illicit objects, or mere scientific principle, or abstract theorems.

An inventor may apply for a patent in a foreign country prior to making application in Canada, but must make application in Canada within 12 months from the issue of the first foreign patent, to obtain a valid patent;

The Act uses the words "any persons." The inventor may be a British subject or alien. Minors and married women may be inventors.

Joint Inventors must make joint application.

Assignees, by assignment of record before the issue of a patent, may become patentees.

If the inventor dies before application, the heirs may apply instead. When the inventor dies between the application and the issue, the patent is granted to the personal representative or assignees.

Life of a Patent—The full term is eighteen years. The patent may be granted for a partial term of six years, and be renewed for like term on payment of the renewal fee during current term.

Conditions—(*a*) The patent may become void if, after two years or any extension granted thereto, the owner fails to manufacture the invention in Canada.

(*b*) The patent may become void if the owner imports the invention after one year, or any extension granted thereto.

The Commissioner may grant an extension to the terms fixed for working and importation.

Amendments after issue. (*a*) Disclaimer, (*b*) Re-issue; (*c*) Judgment pro tanto.

Disclaimer—Patentee may strike out of his claim any part not patentable in law, by a disclaimer filed at the Patent Office in duplicate.

Re-issue—When there is "insufficient description or specification, or too broad claims," an amended specification may be filed, and upon surrender of the original patent, a new patent for the same invention may be issued.

Judgment Pro Tanto—When a patent is attacked before the Courts, the Court may, in rendering judgment, amend the patent, and copies of the judgment must be filed in the Patent Office, and attached to the patent by the patentee.

Infringement—Every person who, without the consent in writing of the patentee, makes, constructs, or puts in practice, or procures from any person not authorized by the patentee to make or use, and who uses the invention patented, shall be liable in damages.

Action for infringement may be taken either in local Courts or in the Exchequer Court: the latter has jurisdiction over the whole Dominion.

Injunction—The party taking action for infringement of a patent may apply for an injunction to restrain the opposing party from using, making, or selling, the subject matter of the patent, or to render account while action is pending.

Defence—The defendant may plead invalidity of a patent by specific fact, or default.

Validity—Partial invalidity of a patent will not affect infringement of valid portion.

Impeachment of Patent—"*Scire Facias*"—A certified copy of the patent and application documents is filed in Court, and a writ of scire facias, issued to repeal the patent for cause, to be shown in the proceeding thereunder.

A certificate of judgment voiding the patent is to be filed in the Patent Office.

Marking—Patent devices must be marked with the word "Patented," with the year of the issue. Penalty for failure to mark—fine under $100 or imprisonment not exceeding two months.

False Marking—It is a misdemeanor, and punishable by a fine of not more than $200 or imprisonment not exceeding three months.

Arbitration in Case of Conflicting Applications—In case of conflicting applications for any patent, the matter shall be submitted to an arbitration of three skilled persons, two of whom shall be chosen by the applicants, one by each, the third to be chosen by the Commissioner; and their finding shall be delivered to the Commissioner in writing, which shall be final as to the granting of the patent.

Failure to Appoint Arbitrators—If either of the applicants refuse or fail to appoint an arbitrator, and there be two applicants, the patent shall issue to the opposing applicant.

In certain cases Commissioner may appoint.

If there are more than two conflicting applications, and the persons applying do not unite in appointing three arbitrators, the Commissioner or Deputy may appoint three arbitrators.

Arbitrators to be sworn.

The arbitrators so named shall subscribe and take, before a Judge of any Court of record in Canada, an oath in the form laid down by statute.

Powers of Arbitrators—The arbitrators may summon before them any person they may require to give evidence, and to produce such documents or things as they may deem requisite to a full investigation of the matter; and may compel them to give evidence, as is vested in any Court of justice in civil cases, but no such witness shall be compelled to answer any question which might render himself liable to a criminal prosecution.

The fees for the services of all arbitrators shall be a matter of agreement, and shall be paid by the arbitrators who named them, respectively; the arbitrators named by the Commissioner shall be paid by the applicants jointly.

Caveats—Intending applicants for a patent may file a caveat.

An intending applicant for a patent, who has not perfected his invention, and is in fear of being despoiled of his idea, may file in the Patent Office a description of his invention, with or without drawings, together with the statutory fee, and the said documents shall be preserved in secrecy, with the exception of delivering copies of the same whenever required by the applicant, or by any judicial tribunal, but the secrecy shall cease when the applicant obtains a patent for said invention.

If application be made for a patent by any other person, for an invention with which such caveat may in any respect interfere, the Commissioner shall at once give notice by mail, of such application, and the person who has filed the caveat shall within three months from date of notice, file a petition, and take other steps necessary

for an application for a patent; and if in the opinion of the Commissioner, the applications are conflicting, like proceedings may be had in such respects as are provided by the Act, with conflicting applications.

Duration of a Caveat—The caveat will expire and simply remain as a matter of proof as to novelty or priority of invention, unless application be made for a patent of invention, within one year.

List of Foreign Legal Counsel.

PREFACE

The following list of Counsel has been carefully prepared, and is intended for the use of our subscribers (especially in their collection department).

While we do not guarantee the standing of every individual lawyer in our list, still we feel confident that it will continue to give satisfaction to our subscribers, and we are prepared to investigate any charge of misconduct made against any individual or firm appearing in this list, and should the charge be well founded their names will, of course, be struck off this list of Counsel.

The United States Counsel have been arranged alphabetically according to States, and we trust that the following list, "comprising so many well known American lawyers," will meet with their approval.

MANAGER.
